The Jist

- Next year we are offering seniors only the opportunity to paint and have their own reserved parking spot.

- Yes, this means you would have your **own** parking spot for the **entire** school year customized by you.
- Trouble visualizing? Let me show you a few examples from several schools ☺

How it works

- On Mrs. Wallace's desk in the high school office there is a form (Paint your Spot Registration form) that you will need to fill out to be entered into the lottery. It is also on the schools website under the Student Council tab.

- The lottery is open May 6th-22nd.

- You must return this completed form with a cash or check payment to Mr. Gilmore no later than May 22nd. He will be accepting payments before school, after school, and during 1st period. Check written to Northwestern High school.

- If you don't want to paint you can still get a permanent spot. You just need to fill out the registration form and return it to Mr. Gilmore with the $30 parking permit fee by May the 22th to be entered into the lottery.

- You will find out your assigned spot on July 29th. A map will be posted at the main entrance (door 1) of the school.

The Details

- When: Designated days to paint, July 29th – August 1st, from 9am to 9pm

- Why: There are two basic objectives for this fundraiser: The first objective is to raise funds for student council (which then gets used towards Northwestern students and the community) and second objective is to promote school spirit. This is nonrefundable.

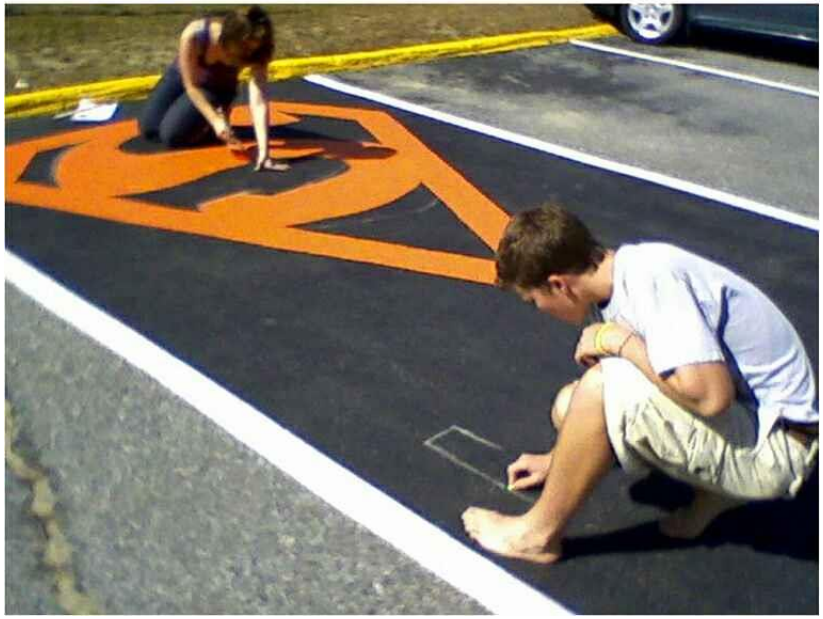
Tips

- Paint is expensive. Ask family, neighbors, and grandparents if they have any paint lying around that they aren't using. You can usually get it tinted at the hardware store.
- Hardware stores usually have paint in the clearance section of custom colors that people have chickened out on using. These paints are deeply discounted.
- Talk to your friends about what colors they are using and then go into together on the paint.
- Simplify your design = more colors, more money.
- Contact the Kokomo Habitat for Humanity set up a time to see how much paint they have. 765-452-2185
- The Restore in Westfield also sells paint at a greatly discounted rate. Their hours vary so please call first You might want to call first to see if there is a lot of paint available. 317-896 9423



SENIOR PARKING LOT PAINTING RULES

9 AM to 9 PM
July 29th to August 1st

Use the template provided to chalk in your paint area and create a 12 inch border from all white lines and 12 inches above your parking spot number.

Paint with any household interior or exterior paint. Latex paint works the best. **NO SPRAY PAINT IS TO BE USED!**

DO NOT PAINT ON ANY CURB that is attached to your space.

Keep your paint inside your own spot!

Make sure that whatever you paint is school appropriate—if it isn't, NHS will paint over your spot in black and it will remain black for the entire school year. Moreover, you will NOT receive a refund.

Please take care of all of your painting supplies when you are done. **DO NOT** leave any paint cans or trash on the parking lot! Do not use the restrooms to clean out brushes or wash your hands. Have everything that you will need (wipes, baggies, cups, etc.) on site.

If you create a barrier around your spot while it dries to keep foot traffic out, do not use paint cans. Return a few hours later to pick up your barrier.

If you make a mess, **CLEAN IT UP!**

Do not splatter paint on your spot or use spray paint. It will make a mess and will be hard to clean up!
