

Edgecomb Eddy Beach Day

When: Monday June 10, 2019

Depart from school promptly at 8:30

Load buses at 1:15 - arrive back to school by 2:15

Where: Damariscotta Lake Park (Jefferson)

Why: Because we live in an amazing place and it's great to celebrate a hard year's work together with some fun together.

Good day, Parents.

We are all very excited about Beach Day and hope that many of you can join us for this fun outing. Please contact your classroom teacher if you are interested in being a chaperone (chaperones are responsible for driving themselves to the beach). **If you are interested in accompanying us on this trip you need to have filled out the volunteer form so that the superintendent's office can conduct the background check. This must be filled out and turned into the school by Friday morning. This is a requirement according to our volunteer policy.** The most important information is found up above, but here is some more need-to-know information...

- **No glass.** Please make sure that students bring plastic or metal fluid containers.
- **Bring your own lunch.** If your child needs a lunch for this event, please inform his/her teacher so we can have the cafeteria supply one.
- **Permission note.** If your child is being transported home by a trip chaperone or not going home in the typical fashion, your child **must present** a note to their classroom teacher at the beginning of the day before our departure in order that the plan is known to school staff. Please make certain that end of the day plans are made clear to your child in order to avoid last minute changes.
- **Toys.** Please do not send your child with any blow up toys. All toys must be able to fit into a zipped backpack. Your child is responsible for any items they bring. The school will assume no responsibility for any damage that may occur to a toy your son or daughter brings on this trip. No water guns.
- **No electronics.**
- **Sunscreen.** Please apply sunscreen to your child before school and send in more sunscreen to be applied as the day goes on.
- **Remain in the school area.** We would like all students to stay in our school area so that we can monitor them. The everyday school rules apply of being respectful, responsible, and reflective apply in this setting as much as they do on our school property.

We are so looking forward to this event.
We hope to see a number of you there.

- Edgecomb Eddy Staff
