

# Gackle-Streeter Public School

## June/July Newsletter 2019

### GREETINGS FROM THE SUPERINTENDENT'S OFFICE

We have reached the end of another school year. I would again like to congratulate and wish good luck to the graduating class of 2019. I am sure your parents, family, and friends are all proud of you! You have worked hard to get to this point and I am sure you will all have great success in the future.

I would also like to thank all the staff members for all they do to help out our students succeed here at the Gackle-Streeter public school. In addition, I would like to thank the community members for their continued support of our school system throughout the 2018-2019 school year.

We have placed a copy of the 2019-2020 school year calendar in the newsletter which was approved at the May School Board Meeting. The school year will start with registration for students on August 8, 2019. The first day of school will be on August 19, 2019. The school year will conclude on May 15, 2020. Lastly, graduation day will be on May 17, 2020.

It should be noted that the school day next year will increase by *twenty-one minutes*. We will be starting the school day at 8:30 am and end at 3:17 pm. The reasons for the increase in the length of the school day is for the implementation of the SMART Lab and the other is to satisfy House Bill 1346 which provides flexibility to schools who exceed the 6 hour school day as required by law. The flexibility would be used for professional development, weather related events, and school/community events.

We *will not* be putting out a newsletter in the month of July. The next newsletter you will receive from the school will be the back to school newsletter at the beginning of August. If you have any questions or concerns, please contact the administrative office at 701-485-3692.

Have a safe and happy summer break. We'll see you in the fall!

Sincerely,

Supt. Duke Larson

## A Note From Mr. Berg

Congratulations to the Class of 2019! You did it!! Best of luck in whatever you pursue in the future.

Thank you to everyone who came out to celebrate the Graduation of the seniors.

I am excited about the installation of a SMARTLAB here at Gackle-Streeter School. The classroom structure and curriculum is designed to promote higher level thinking by students. The cross-curricular layout will stimulate higher level thinking by students in all aspects of the curriculum.

The staff at Gackle-Streeter will be attending numerous professional development opportunities over the summer. Administrative conferences, regional reading conference, Crisis Prevention Intervention (CPI) training, Tough Kids workshop, AIMSWEB training just to name a few.

Parents please read with your child. It is important to keep kids reading over the summer!!

### June:

3-6 <sup>th</sup>	ND State FFA Convention
3-7 <sup>th</sup>	Drivers Education class (leave from the school @ 7:45 am)
4 <sup>th</sup>	Tough Kids Workshop @ JMS. 8:30 am
12-14 <sup>th</sup>	NDCEL Administrative Summer Conference in Bismarck

Have a GREAT summer and be safe!

## 2018 – 2019 School Immunization Requirements

Vaccine Type	Number of Required Doses		
	Kindergarten-6 <sup>th</sup> grade	Grades 7-10	Grades 11-12
DTaP/DTP/DT/Tdap/Td*	5	5	5
Hepatitis B	3	3	3
IPV/OPV <sup>†</sup>	4	4	4
MMR	2	2	2
Varicella (Chickenpox)	2	2	1
Meningococcal <sup>¶</sup>	0	1	2
Tdap <sup>⊖</sup>	0	1	1

- \* One dose of DTaP (pediatric diphtheria, tetanus, and acellular pertussis) vaccine must have been given on or after the fourth birthday. Only four doses are necessary if the fourth dose was administered on or after the fourth birthday. Three doses of Tdap (adolescent/adult tetanus, diphtheria, and acellular pertussis)/Td are required for children ages seven or older who were not previously vaccinated. Tdap should be used as the first dose followed by two doses of Td for children age seven or older not previously vaccinated.
- † For polio vaccination, in all-IPV or all-OPV schedule: one dose must have been given on or after the fourth birthday. The final dose in the series should be administered on or after the fourth birthday and at least six months after the previous dose. If four doses are administered prior to age four, a fifth dose should be administered on or after age four. Only three doses of IPV are required if the third dose is given on or after the fourth birthday. Children born before August 2005 only need four doses separated by at least four weeks. These children do not need a dose after the age of four.
- ¶ One dose of meningococcal conjugate vaccine (MCV4) must have been given on or after the tenth birthday. The second dose of MCV4 must be given on or after the sixteenth birthday. If the first dose of MCV4 is given after the sixteenth birthday, then only one dose of MCV4 is required for eleventh and twelfth grade.
- ⊖ One dose of Tdap must have been given on or after the seventh birthday.

### Exemptions

Students may be exempt from immunization requirements for the following reasons:

- **Medical Exemption:** Requires a certificate signed by a licensed physician stating that the physical condition of the child is such that immunization would endanger the life or health of the child.
- **Personal Belief or Religious Belief Exemption:** Requires a certificate signed by the parent or guardian whose sincerely held philosophical, moral or religious belief is opposed to such immunization.
- **History of Disease Exemption:** Requires a certificate signed by a physician stating that the child has a reliable history of disease. History of disease exemptions may only be claimed for hepatitis B, varicella, measles, mumps, or rubella.

### Exclusion

All children need to be up-to-date according to the school immunization requirements or have claimed an exemption by **October 1<sup>st</sup>** of each school year or they must be excluded from school. Children enrolling in school after October 1<sup>st</sup> have 30 days to be up-to-date or claim an exemption or they must be excluded from school.
