Frequently Asked Questions:
Before you apply

Q. Am I guaranteed to be able to take classes at Ohio State while I’m enrolled as a Metro student?
A. No. The Metro staff will work with The Ohio State Undergraduate Admissions office to determine who will be eligible for OSU course work. Ohio State has final say in deciding who is admitted to the program.

Q. If I am planning on taking a class at OSU but haven’t met the mastery standards at Metro by the application deadline, should I wait to send in the application?
A. No. Do not wait to apply! You must submit the application by the deadline to be able to start the following term. If you apply for a term and end up not meeting mastery, we will update your application to a future term.

Q. While tuition is covered for Metro students, are there any additional fees?
A. No. Metro pays for tuition, books, and fees associated with college classes.

After you are admitted to the Metro -Ohio State Program

Q. I’ve applied and been admitted to the Metro- Ohio State Program. Now what?
A. You will need to do the following:
   ▪ Work with the Metro Schools College Advisor to complete any required placement testing
   ▪ Schedule OSU course work with the Metro Schools College Advisor

Q. Are there any other requirements for scheduling classes at Ohio State?
A. You must meet any placement testing requirements as well as any pre-requisite requirements for individual courses at Ohio State.
   ▪ Placement Tests are required before taking course work in Math or Foreign Language

Q. Will I be able to schedule future Ohio State courses on my own?
A. No. For each semester you wish to take classes at Ohio State, you must meet with the Metro Schools College Advisor

Q. Are there any requirements for maintaining eligibility?
A. Yes. You must maintain an Ohio State cumulative grade point average of 2.5 or above to be in good standing in the Metro High School- Ohio State program. Students below a 2.5 will be on probation and have one semester to improve their GPAs. If the GPA does not improve after one semester, students may be subject to dismissal from the Metro-OSU program.

Q. Will I have priority in scheduling my classes since I have to work around my Metro schedule?
A. No. Since you are not currently enrolled as a degree-seeking student at OSU, you will not have priority in scheduling your classes. It is possible that you may not be able to enroll in a particular class if it is not offered at a time that is convenient or if it is already full.

Q. Am I guaranteed admission to The Ohio State University after graduating from Metro?
A. Yes & No. Admission to any of the OSU Regional Campuses is guaranteed for all Ohio residents. However, admission to the Columbus Campus of Ohio State for all high school graduates is a selective process. Enrollment in OSU courses as a Metro student does not guarantee admission to Ohio State (Columbus Campus) as a new first year student.
