

# Englewood Public Schools IEP and Section 504

## Standardized Testing Agreement (Grades 9-12)

Please be advised that any testing accommodations outlined in this plan are for school-based and New Jersey Department of Education test administrations only. This plan does not have the stand-alone authority to mandate testing accommodations for the following:

- PSAT
- SAT I
- SAT II
- Advanced Placement
- ACT
- ASVAB

The tests are administered by private companies who have their own eligibility requirements. The Englewood Board of Education is not responsible for any refusal of testing accommodations or any costs associated with additional requests for assessments from private testing companies. The parent/guardian is responsible to obtain additional assessments as required by private testing companies and will be solely responsible for all costs associated with said assessments.
