Administration	Counselors
Superintendent of Schools: Mr. Michael Ben-David **Principal:** Mr. Timothy Rymer **Assistant Principals:** Mr. Chris Carroll & Mrs. Toni Liskiewicz **Director of School Counseling:** Mr. Matt Ferreri	Mr. Joe Cusack, jcusack@wmrhsd.org, x3445 Ms. Shanna Donnelly, sdonnelly@wmrhsd.org, x3450 Mrs. Elizabeth Grasso, egrasso@wmrhsd.org, x3455 Ms. Leah Hennessy, lhennessy@wmrhsd.org, x3461 Mrs. Kara Losik, klosik@wmrhsd.org, x3470 Mrs. Megan Shaffer, mshaffer@wmrhsd.org, x3415

West Morris Central High School, one of two high schools in the West Morris Regional High School District, was among the first public high schools in New Jersey to offer the *International Baccalaureate Diploma Programme*. Additionally, West Morris Regional is the only district in New Jersey offering the *International Baccalaureate Career Programme.*

Consistently ranked as one of the top high schools in New Jersey and the nation across a variety of media entities, West Morris Central High School has earned recognition on *The College Board's AP Honor Roll*, has been designated as a *Model World Language Program* by the New Jersey Department of Education, and the counseling department has a Recognized ASCA Model Program (RAMP).

SCHOOL/COMMUNITY

West Morris Central High School is a four-year comprehensive high school. The Class of 2022 graduated 300 seniors. Current enrollment for 2022-2023 is 1,000 students. The school is fully accredited by the New Jersey State Department of Education. The International Baccalaureate Organization has endorsed West Morris Central High as an IB World School featuring its signature Diploma Programme.

CURRICULUM

West Morris Central offers a four-year comprehensive program that includes a wide range of elective courses. Within our course offerings we strive to cultivate and assess the development of those attributes outlined by our vision of a graduate. These traits include being knowledgeable, principled, open-minded, caring, balanced and reflective while actively thinking, inquiring, communicating and taking risks. Critically evaluating information and its sources and utilizing relevant data to solve problems is a recurring exercise in our coursework.

VISITATIONS

College admissions personnel are encouraged to participate in one of four college fairs planned each year at West Morris Central. College representatives may arrange individual visits with counselors by contacting Joe Cusack at jcusack@wmrhsd.org. We also coordinate distance interviews and small group presentations via Google Meet video conference.

INTERNATIONAL BACCALAUREATE (IB)

This internationally-monitored curriculum challenges our most ambitious learners. The IB Diploma, widely accepted as the finest secondary program available, is awarded upon completion of a rigorous program comprised of an extended essay investigation, demonstrated mastery on internationally evaluated written and oral examinations, and the execution of a creativity-action-service project.

The IB Career-Related Programme is a two year framework incorporating IB principles in a program tailored to career related study. The program includes two IB classes, career pathway coursework, and the following components of the IB core: the Personal & Professional Skills class, a Community & Service project, a Language Development Portfolio, and a Senior Reflective Project.

GRADUATION REQUIREMENTS

To earn a West Morris Regional High School District diploma, a student shall be required to:

- Satisfactorily complete 120 credits of course work
- Satisfactorily complete all required courses:
  English (20 credits), Social Studies (15 credits), Mathematics (15 credits), Science (15 credits), Physical Education/Health (All years), Visual & Performing Arts (5 credits), Career/Consumer/Family/Life Skills (5 credits), Financial/Economic Literacy (2.5 credits)
- Achieve baseline proficiency in any NJ state approved standardized test (NJSLA, ACT, SAT)

ACADEMIC ACHIEVEMENTS – CLASS OF 2022

COLLEGE SUMMARY 2020-2022

The following institutions *accepted* West Morris Central graduates:

American University
Arcadia University
Barry University
Baylor University
Beloit College
Bennington College
Bentley University
Binghamton University
Bloomsburg University
Boston College
Boston University
Bowling Green State University
Brandeis University
Brown University
Bucknell University
Carnegie Mellon University
Case Western Reserve University
Catawba College
Cedar Crest College
Central Connecticut State University
Central Michigan University
Citadel Military College of South Carolina
Claremont McKenna College
Clarion University
Clark University
Clarkson University
Clemson University
Coastal Carolina University
Colgate University
College of the Holy Cross
College of William & Mary
Colorado College
Cornell University
CUNY City College
Davidson Valley University
DeSales University
Dickinson College
Drexel University
Duke University
East Carolina University
East Stroudsburg University
Eastern Kentucky University
Elon University
Embry-Riddle Aeronautical University - Daytona Beach
Emerson College
Emory University
Endicott College

West Morris Regional High School District

Mathematics Course Offerings in Grades 11-12

As an IB World School, the Mathematics Department at West Morris Regional is committed to providing all students with an IB education that aims to develop learners who are inquiring, knowledgeable thinkers, principled, open-minded communicators, and balanced, caring, and reflective risk-takers. Embedded in our instruction is the development of essential skills for our ever-changing world: thinking, research, social, communication, and self-management.

In 11th and 12th grade, all students participate in a capstone mathematics experience by taking one of our IB Math course sequences. The sequences are designed to appeal to students with varying levels of ability and motivation while developing their mathematical fluency, their ability to think mathematically, to recognize mathematics around them, and to be able to use their mathematics in either abstract or contextual settings. All students will explore mathematical concepts in five areas of mathematical study: Number and Algebra, Functions, Geometry and Trigonometry, Statistics and Probability, and Calculus.

BC Calculus (AP/IB-HL) Calculus/Analysis 3 IB-HL Honors Credit	Students who complete this sequence have been double accelerated by one of our K-8 sending districts, meaning they completed both Algebra 1 and Geometry in middle school. Note that not all of our sending districts offer this option. In 12th grade, our Calculus/Analysis 3 class prepares students for the IB Maths: Analysis and Approaches internal and external assessments while engaging students in a survey of college-level math topics in geometry, linear algebra, probability, statistics, and calculus.
Calculus/Analysis 1 and 2 IB Higher Level Honors Credit	Students who complete this sequence complete rigorous coursework which is equivalent to precalculus and two semesters of college calculus. Similar students at non-IB schools may have PreCalculus Honors and AP Calculus BC listed on their transcript.
Calc Applications 1 and 2 IB Higher Level Honors Credit	Students who complete this sequence complete rigorous coursework which is equivalent to precalculus, one semester of college statistics, and one semester of college calculus. Similar students at non-IB schools may have PreCalculus Honors, AP Calculus AB, and AP Statistics on their transcripts.
Calculus/Analysis 1 and 2 IB Standard Level Honors Credit	Students who complete this sequence complete course work which is equivalent to precalculus and one semester of college calculus. Similar students at non-IB schools may have PreCalculus and AP Calculus AB on their transcripts.
Alg 2/PreCalc Applications 1 Calc Applications 2 IB Standard Level Advanced Credit	Students who complete this sequence complete course work which is equivalent to the second year of algebra, precalculus, and introductory differential and integral calculus. Similar students at non-IB schools may have Algebra 2/Trig and PreCalculus on their transcripts but have not engaged in an introduction to differential and integral calculus.
Alg 2/PreCalc Applications 1 and 2 Academic Credit	Students who complete this sequence complete course work which is equivalent to the second year of algebra and introductory precalculus topics. Similar students in non-IB schools may have Algebra 2/Trig and College Algebra on their transcripts.
