S6B. Comparison of the District's Annual Payments to Prior Year Annual Payment

DATA ENTRY: Enter an explanation if Yes.

1a. Yes - Annual payments for long-term commitments have increased in one or more of the budget or two subsequent fiscal years. Explain how the increase in annual payments will be funded.

Explanation: (required if Yes to increase in total annual payments)

The increases are due to the GO Bond debt payments, which are paid through property taxes. The COP debt service will be paid through developer fees until those funds are exhausted. The District is currently evaluating data for a potential 2020 Bond, where the COP would be retired through proceeds from that issuance.

S6C. Identification of Decreases to Funding Sources Used to Pay Long-term Commitments

DATA ENTRY: Click the appropriate Yes or No button in item 1; if Yes, an explanation is required in item 2.

1. Will funding sources used to pay long-term commitments decrease or expire prior to the end of the commitment period, or are they one-time sources?

Yes

Yes - Funding sources will decrease or expire prior to the end of the commitment period, or one-time funding sources are being used for long-term commitment annual payments.
 Provide an explanation for how those funds will be replaced to continue annual debt service commitments.

Explanation: (required if Yes)

If Developer Fees in Fund 25 expire prior to the COP payoff, bond proceeds will be used to retire the debt.

S7. Unfunded Liabilities

Estimate the unfunded liability for postemployment benefits other than pensions (OPEB) based on an actuarial valuation, if required, or other method; identify or estimate the actuarially determined contribution (if available); and indicate how the obligation is funded (pay-as-you-go, amortized over a specific period, etc.).

Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent
