UNITED 4 SISD
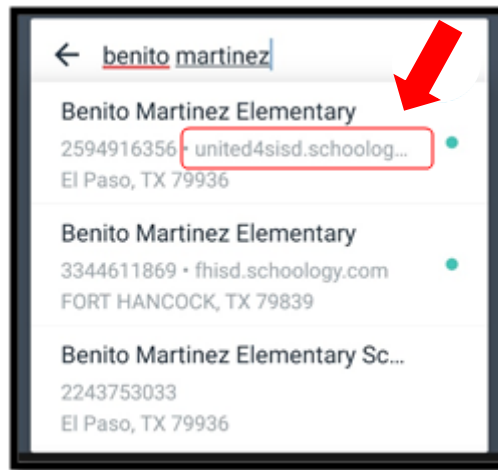

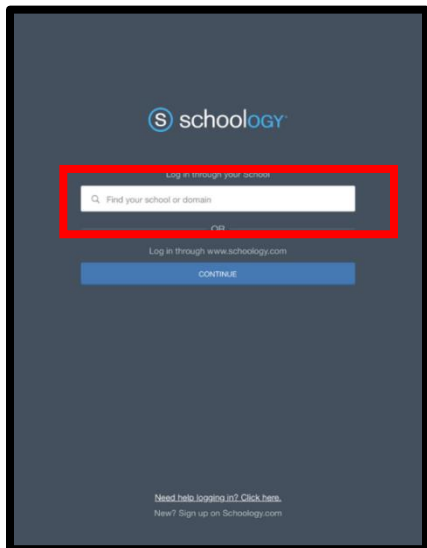

Log into the Schoology App on an iPad
For Socorro ISD students

Important note: once the student has logged in with these steps, the Schoology app is connected to the student's personal Schoology account.
Do not share the device with others or make sure to log out before.
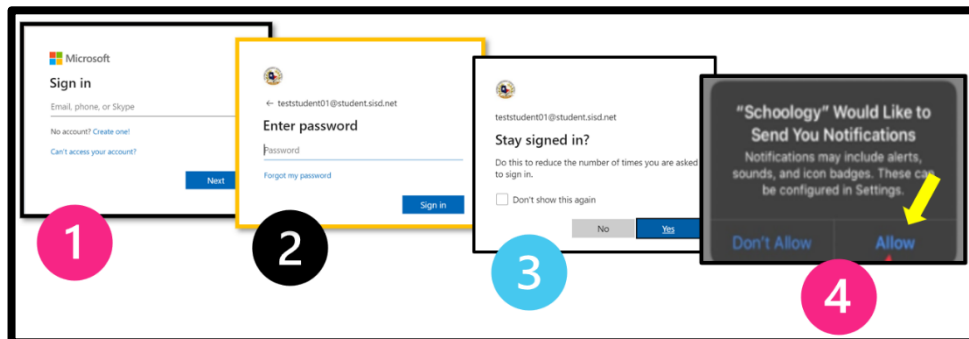

1. **Locate the Schoology app on the iPad** (S)

2. **Find your school; enter campus name**

The name, ID number, city, state, and zip code for the school should appear below. Tap the name of your school when it displays. *Choose the one that includes united4sisd.*
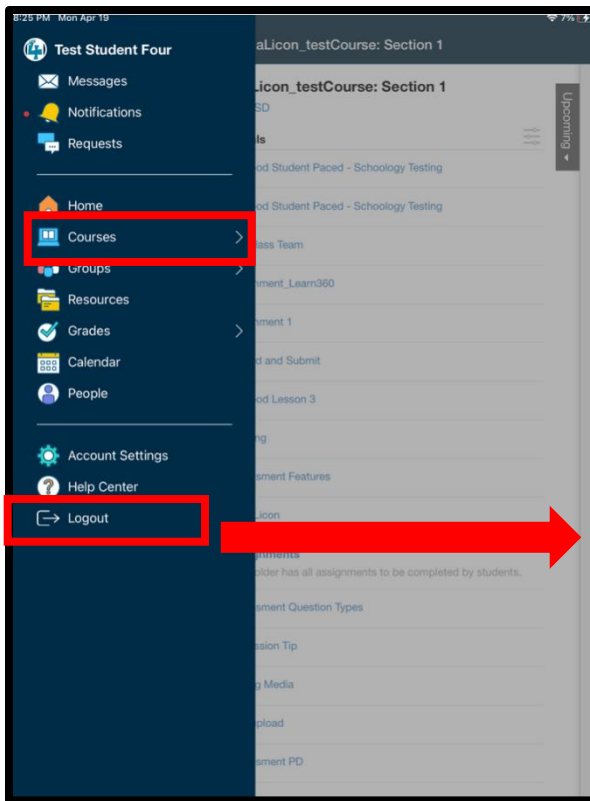

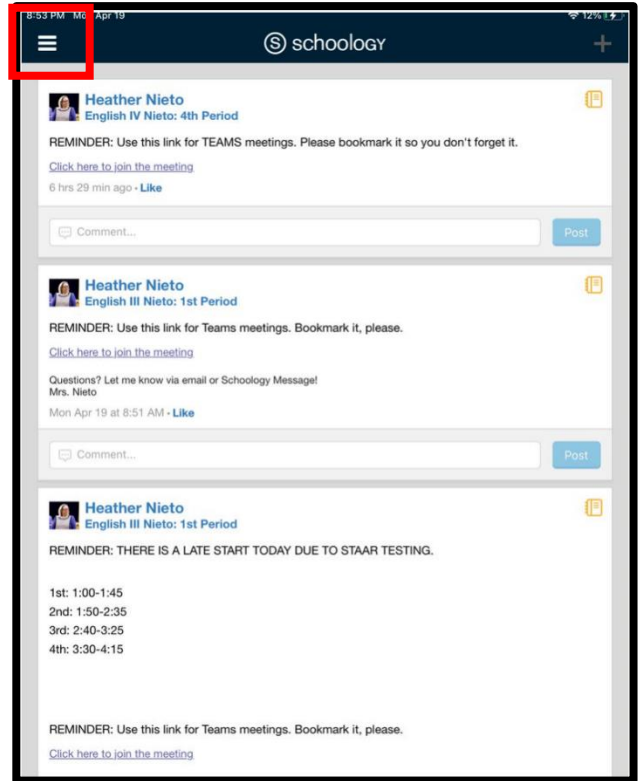

3. **Follow the steps below to login**

   ①   Enter student email: username@student.sisd.net

   ②   Enter password: same password assigned by district

   ③   Select Yes to allow the device to remain signed into student's account

   ④   Allow Notifications

UNITED 4 SISD

4. Schoology Dashboard- Once logged in students will select the **Menu** bar to view all courses student is assigned to

5. Select "**Courses**" to open course assigned by teacher. Students will have separate "Courses" for each subject

Students can "Logout" of their Schoology account by selecting the "Logout" option.

You can click below to watch a step-by-step video tutorial for student Schoology login using the Schoology iPad app.
