

Welcome to Purple Heart Elementary

STAAR INFORMATION

Where College begins in Kindergarten

2017-2108

STAAR is the

State of Texas Assessments of Academic Readiness

Students in 3rd, 4th, and 5th
grades take the STAAR

STAAR is an assessment program designed to measure the extent to which students have **learned** and are able to **apply** the knowledge and skills defined in the state-mandated curriculum standards, the Texas Essential Knowledge and Skills (TEKS).

STAAR for Grades 3rd – 5th

- ▶ The STAAR tests assess students' understanding of the Texas Essential Knowledge and Skills (TEKS)
- ▶ Some questions will address more than one standard
- ▶ STAAR is more rigorous than previous assessments which means it requires MORE THINKING
- ▶ Students will have four hours to complete each test.

3rd Grade takes Reading and Math
4th Grade takes Reading, Math and Writing
5th Grade takes Reading, Math and Science

Passing Standards

Approaches Grade Level

From “Satisfactory” to “Approaches Grade Level”

**Phase-in Level II:
Satisfactory**

**APPROACHES GRADE
LEVEL**

Some knowledge of course content,
but may be missing critical elements
- student needs additional support

Constitutes a passing score

Some remediation recommended
in the coming year

Meets Grade Level

From “Postsecondary Ready” to “Meets Grade Level”

Final Level II:
Postsecondary Ready

MEETS GRADE LEVEL

Strong knowledge of course content student is prepared to progress to the next grade

Chance of Success
in College: 60%

Well prepared for next year

Strong knowledge of course content

Masters Grade Level

From “Advanced” to “Masters Grade Level”

**Level III:
Advanced**

MASTERS GRADE LEVEL

Mastery of the course knowledge and skills is shown – student is on track for college and/or career

**Chance of Success
in College: 75%**

No support needed next year

Can apply course content outside of class

Student Success Initiative (SSI) – 5th Grade

The goal of the Student Success Initiative (SSI) is to ensure that all students receive the instruction and support they need to be academically successful in mathematics and reading.

Under the SSI promotion requirements, students are **required to pass** the STAAR grade 5 mathematics and reading tests to be promoted to sixth grade.

There are **three** testing opportunities for students in grade 5 to pass STAAR mathematics and reading assessments in order to be promoted to the next grade.

STAAR Retesting for 5th Graders

Round 2 Testing:

- Math STAAR on Monday, **May 14**
- Reading STAAR on Tuesday, **May 15**

-----students will attend Hero summer camp-----

Round 3 Testing:

- Math STAAR on Tuesday, **June 26**
- Reading STAAR on Wednesday, **June 27**

Total	<div><div></div></div>	27/36

- ❑ Breakdown of performance for each category of questions

Item #	Reporting Category	CARMEN'S Response	Correct	% of Students answering correctly		
				State	District	Campus
1	2	C	✓	89	93	92
2	1	G	✓	90	91	92
3	3	A	✓	82	86	79
4	2	H	J	47	47	34
5	2	C	✓	70	81	83

- ❑ The student's actual response and whether it was correct

Item 4 of 36

Your child's response was H, and the correct response was J.

- 4 The shaded part of the model represents a fraction. Another fraction was subtracted from the first fraction.

Which expression does the model represent?

F $\frac{11}{15} - \frac{1}{6}$

G $\frac{11}{12} - \frac{6}{12}$

Option Rationales:

F is incorrect because the model represents $\frac{11}{15} - \frac{2}{5}$, not $\frac{11}{15} - \frac{1}{6}$.

G is incorrect because the model represents $\frac{11}{15} - \frac{2}{5}$, not $\frac{11}{12} - \frac{6}{12}$.

H is incorrect because the model represents $\frac{11}{15} - \frac{2}{5}$, not $\frac{6}{15} - \frac{4}{15}$.

J is correct because the model represents $\frac{11}{15} - \frac{2}{5}$. The fraction $\frac{2}{5}$ is equivalent to $\frac{6}{15}$.

❑ Views of the actual questions and answer choices for each item, allowing you to see why/how your child got a question wrong

❑ Rationale for why each question is correct or incorrect

How can I help my child so
they are successful on
STAAR?

Schoolwork and Homework

- ▶ Encourage your child to always do their best at school and ask questions when they don't understand
- ▶ Be sure your child completes all of his/her homework
- ▶ Provide a well-lit, quiet area for homework time

Communication

- ▶ Communicate with your child's teacher, especially if they are struggling
- ▶ Read to and with your child regularly and talk about what was read

Attendance

- ▶ Be sure that your child attends school every day and is on time (unless sick, of course)
- ▶ Schedule appointments after school hours so instructional time is not lost

What can I do at home to help my child prepare for success on the STAAR?

- ▶ Limit your child's time watching TV and playing video games
- ▶ Play board games, cook together, explore outside, etc. These activities will all enhance student learning.

Please remember ...

Cell phones are NOT allowed on test days.

Please have your child leave their phone at home.

If they must bring it, their teacher will hold it until the end of the day.

Thank you!
