

11/4/13 Homerun!!!

3rd  
Narrative

I was up to bat! shouted my

coach. I walked up to the plate

with a glum face and feeling nervous.

Then when I got there I picked

up my lucky bat and stood tall.

I could hear my parents saying

"come on ( ) git a hit" that

cheered me up a bit. As I

heard them talking I swung strike

one they shouted. After I swung

again strike two. I was getting

nervous and scared because if I

got out my team would have  
lost. Then I swung again and  
out of know I got a HOME -  
RUN!!! everybody laughed  
as I ran the bases as  
fast as my little legs could  
carry me. Once I got back  
everybody said Oh, yeah! and  
carried me around the bases.  
As they carried me around I  
couldn't tell if I was happy  
or surprised but I didn't care

I got a homerun, and thats what  
important to me.
