Tortuga is fun because there are beaches, you can go fishing, you can explore.

One reason Tortuga is fun is because you can swim, you can make sand things, and you can snorkel.

Another reason Tortuga is fun is you can go fishing. To add on, you can catch big or small fish. You can drive the boat around sometimes too. You can also look at the blue water.

Tortuga is a fun place to explore because you can walk around, visit the canal, and you can wade in the water.
