Do you like cute kittens or fluffy puppies? Well then you should donate to KVHS to save them. KVHS stands for Kennebec Valley Human Society. I know what your thinking what is a human society? Well it is a place that cares for animals. We have one in our community, you might sometimes see their commercials on channel 9. KVHS needs donations to keep helping stray animals, getting supplies, and saving lives of animals.

You should donate KVHS because they help stray animals. All animals deserve a home right? Well KVHS's mission is that they want to find homes for animals that need them. KVHS will find homes for abandoned, abused, and stray animals. KVHS also saves more than **3,000** animals a year. **Thats a lot of animals!** KVHS was started by a animal lover named Miss Mabel Connor. She started KVHS in 1927 so that means they have saved about 261,000 animals in 87 years. KVHS is non-profit which means they aren't in it to make money, they need donations to keep them going. Finally, KVHS tells communities about how to properly take care of animals. If people don't care for animals the right way they might suffer. No one wants to make an animal suffer because they didn't know how to take care of a poor puppy or energetic hamster. KVHS helps stray animals and thats why you should donate to them.

Another reason you should donate to KVHS is because animals need health, food supplies, and toys. These are the things on their wish list. They want cat food and its okay to have canned or dry. Laundry detergent, latex gloves, rubbing alcohol, bleach and hand sanitizer to clean them all up. They need towels and blankets old or stained are acceptable. 9 x 12 plastic liter boxes and kitty litter clay or non-clumping please. Peanut butter and I know dogs love peanut butter and treats for all animals. White copy paper and Timothy hay for the little happy hamsters to walk on. Rodent food so hamsters and

guinea pigs and animals like that can eat. Frontline so dogs and cats don't get ticks or fleas. Lastly, they want small stainless steel bowls and Kong's for the dogs to play with. KVHS needs these supplies for all there animals so please donate them to save lives.

Most importantly, you should donate to KVHS because you would be saving lives of animals. All animals at KVHS get health check-ups they could have a disease. If people give KVHS money that will help pay for the animals check-ups so they stay healthy. Let me remind you, KVHS has been caring for animals since 1927. There is a lot of animals like cute kittens and fluffy puppies that they've saved and they need your donations to keep them going. Finally, you should donate to KVHS because they give care to stray, abandoned, and abused animals. If abandoned, stray, and abused animals thy might suffer. By saving animals in our area they help the community. KVHS saves lives of animals with your help so help out and donate to KVHS.

To finish I would like to say thank you for your future donations. KVHS will be very happy. All the animals would also be very happy for you to help save them. All the stray, abandoned, and abused animals need your, help so please donate to KVHS today.
