Dear Parent/Guardian:

We value your role in working to help your child achieve high academic standards. The following is an outline of some of the ways that we can build and maintain a strong home-school partnership to share the responsibility of supporting our child's learning.

Northern Burlington's Responsibility:

- Provide high quality curriculum and learning materials.
- Provide opportunities for ongoing communication between parents and teachers through:
 1. Annual Parent-Teacher Conferences
 2. Power School and communications regarding student progress

Parent's/Guardian's Responsibility:

- Encourage your child to attend school regularly.
- Encourage your child to show positive school behavior.
- Monitor your child's progress.
- Encourage your child to manage time wisely.
- Attend parent-teacher conferences and participate, when appropriate, in decisions relating to the education of your child
- Visit the <http://www2.ed.gov/documents/family-community/parent-checklist.pdf> for the parent checklist of questions and resources to help ensure that your child's education prepares them for college and careers

Thank you for your support and involvement in your child's education.

Sincerely,

Amy Stella

Director of Curriculum & Instruction and
Professional Development
