

June, 2019

Hi Families!

Welcome to third grade and Team Toth/Whitten. Your homeroom is whichever name is in all caps on your progress report. Here are some supplies you will need **by the first day of school**.

- One 3-ring binder, 1"- 2" width (any binder is fine but because the students move between two classes, we have found the Velcro close binders – see sample photo below – to be the most durable and hold all the materials the students need.) **Please be sure your child's name is on his/her binder.** Feel free to use this link to make your purchase, if you wish: (this link is live and available on the Wells Rd Int School website)

https://www.amazon.com/Five-Star-Folders-Durable-29036/dp/B013Q6UCI4/ref=sr_1_8?s=office-products&ie=UTF8&qid=1527011838&sr=1-8&keywords=binder+with+folders+and+zipper

- Headphones – Your child should bring a pair of headphones. They need to be the circle wire plug, not USB plug, in order to work with the school Chromebooks. It is not possible to use wireless headphones. **Your child's name should be on his/her headphones.**
- 1 refillable water bottle for at your child's seat (**please put your child's name on his/her water bottle**),*
- 2 four packs of black Expo, dry erase markers* (**please put your child's name on each pack**),
- Two boxes of pencils, with 24 pencils in each box, please sharpen them before bringing them to school* (**please put your child's name on each box**)

***Please put all these items and the headphones into a gallon or larger size Ziploc bag, with your child's name on as many of the items as you can and your child's name again on the outside of the bag. The binder does not need to be in the Ziploc bag (but your child's name should also be on the binder).**

You do not need: scissors, glue, tape, calculators, supply boxes/pouches, crayons, color pencils, or markers – these will all be provided in the classroom, if needed.

Enjoy your summer! Please read as often as possible, keep a summer writing journal and practice your math facts (especially addition and subtraction) whenever you can. We look forward to seeing you in the fall!
