

You are receiving this communication because Northern Cass School District #97 is offering an online service to help you better manage your child's school meal account and other miscellaneous expenses. You now have the ability to check your child's school meal account balance online as well as make payments with a credit card.

EZSchoolPay is available from your device's app store and are available for iPhone, iPad, and Android devices. You can receive alerts for low balances, make payments for your child's meal account, and pay activity fees. There is a fee of \$2.00 per transaction. This fee covers the normal costs of processing credit card transactions and other costs associated with maintaining a credit card merchant account. Because it is a set dollar amount, you can be sure you get the most payment amount for the least fee.

If you would like to take advantage of any of the features mentioned above, you must create an online account with www.EZSchoolPay.com. Getting started is easy! Visit www.EZSchoolPay.com. You will click on 'register'. After answering a few questions, you will receive a confirmation e-mail. Click the link in the e-mail and your registration is complete. Once logged in, you can associate your children using their school district name and child ID number. Any refunds or transferring of money must be done through the school.

EZSchoolPay has security measures in place to protect the loss, misuse, and alteration of the information under their control. The system is fully compliant with all security regulations and Payment Card Industry (PCI) requirements. All transactions use 256-bit encryption and your credit card information is protected by the most sophisticated internet security available.

By utilizing www.EZSchoolPay.com, you will not have to wonder if the check you wrote for meals actually made it to school. Low meal account balances no longer need to be a source of stress. Payments are credited within 10 minutes of a transaction. This system will help the district function at an even higher level while providing you with a quality service.
