

Athletic Forms and Physicals

Ridgedale is pleased to make the switch to FinalForms for the 2019/2020 school year!

This online system will electronically store all athletic and academic forms required by the Ridgedale Local School District, and will save families time in the future by carrying over information from year to year!

Access is easy and can be done from anywhere! Go to <https://ridgedale-oh.finalforms.com> or click on the link to FinalForms on the Ridgedale website to start the registration process. The first time will need to enter all required demographic, contact, and medical history information.

The required OHSAA physical form is embedded within the program and will take the answers you give to populate the first several pages of the form for you. You can then print off the form to take to your doctor or medical provider to complete the actual physical. Only the pages completed by the doctor need to be turned in to the office! If you don't have a printer, please contact the office and we can print the form out for you!

Please do not hesitate to reach out with any questions as you start this process!
