

**School Community Council  
September 7, 2017**

**Attendance:** Bruce Bean, Josh Huntsman, John Brooks, Andrea Layton, Nicole Hobbs

**Review of SCC member's tenure, who will be back:** Andrea, Nicole, and Dalvin of parents will be back this year on the council.

**Review of SCC Elections:** We need to get a few more parents for school community council this year. There will be announcements at parent teacher conference:

- Bruce reviewed progress with sage testing. Science, Math and English made a lot of progress. Scores were above the state average. Carbon is 1st or 2nd in the state compared to "like schools". Proficiency was up except for in 11th grade language arts. Secondary math III went down a little, but it tends to fluctuate because the lower number of students in the class.
- Nicole asked about supports for students with IEPs. We discussed what the high school has in place to support special ed. students. Nicole suggested that we have protocols for questions and concerns about special education on the district website.
- 

**Future meetings will take place on the first Thursday of each month.**
