From the Principal's Desk

Welcome to Luers Knight, “The Bond That U-Knights Us,” a celebration of that thing we call “Luers Spirit”. I am delighted you have joined us this year for what promises to be an evening of fun and festivities in a new and unique format. School parents, faculty, staff, and alumni and friends all gather tonight in celebration and support of our school and the students we serve.

At Bishop Luers, tuition alone does not completely cover the cost of a child’s education. For that reason, funds raised at tonight’s auction help maintain the financial health of Bishop Luers. Your generosity will allow us to fulfill our mission to enable – each student to face the challenges in his or her own life spiritually, academically, and socially.

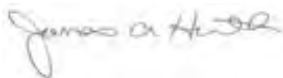

Before you walk in, an enormous amount of artistic and technical planning takes place “backstage” to produce this glamorous event. I would like to thank the Office of Mission Advancement and all the dedicated volunteers that have worked diligently over the past several months to plan this extraordinary evening. I’d also like to take this opportunity to thank our corporate and individual sponsors along with the impressive list of advertisers and donors for their donations/contributions. Please, if you see them, make sure to thank them for their support.

I hope you’ll enjoy perusing the auction items and seeing the many wonderful items up for bid. Enjoy our Jazz and Show Choirs and dance the night away to Dave and Rae.

The collective impact of our many gifts will provide for an even more rewarding and positive education for the true stars of the show - OUR students.

Enjoy your evening!

In Luers Spirit,

James Huth

April 21, 2023

Dear *LuersKnight* Participants,

Welcome to *LuersKnight* 2023! Thank you so much for coming to support Bishop Luers High School and its mission of Catholic education.

I am proud of Bishop Luers High School and its excellent academic program. I am even more proud of the commitment of the faculty and staff to helping the students grow in their knowledge and love of Jesus Christ. The principal teacher of everyone in the school is Christ the Teacher. This is what makes Catholic education unique and is why Bishop Luers High School exists: to teach and form disciples of the Lord Jesus. The education is integral, a formation of the body, mind, and soul.

Bishop Luers High School needs your financial and spiritual support. You are partners in the mission of educating new generations of young disciples. I am very grateful for the sacrifices you make to ensure that this mission continues and flourishes.

Enjoy *LuersKnight* this year! Please be generous in the auction and raffle, the proceeds of which are very much needed.

May the Lord bless you for your stewardship and generosity! May He bless the Bishop Luers community with an abundance of His grace so as to flourish in its holy mission!

Gratefully yours in Christ,

+ *Kevin C. Rhoades*

Welcome Letter from the Director of Mission Advancement

Welcome to Luers Knight 2023, The Bond that UKnights Us! We are so grateful and humbled to have each and every one of you be a part of our Luers Spirit tonight. We chose the theme, “The Bond that UKnights Us” because we wanted this year to be about the Luers Spirit that flows through the hallways, at our sporting events, and through our community. It is so powerful. One student eloquently described Luers as meaning “family” and that is what we want tonight to be about. Family helping family be the most successful we possibly can be. The cliché is not wrong “it takes a village.” I for one am truly grateful for this village in helping my own children rise to be faithful and successful human beings. My husband, Chris Spoltman, and I are blessed to have Bishop Luers as an educational opportunity for our children. The teachers and staff in this building have a dedication to all our children that is unparalleled. Tonight, is about backing those teachers in their efforts and helping them by doing all we can to provide the technology and tools they need in this competitive world. It is also about helping any student who wishes to walk these halls have the opportunity to do so.

This night would not be possible without our generous sponsors. Thank you to all our sponsors for investing in Bishop Luers. It also would not be possible without some very important volunteers. I cannot thank Beth Roskuski ('87) enough for the amount of time she has put into this evening. She has been invaluable in this whole process. I want to give a huge thank you to Becky Henry for her help and guidance! I would also like to thank Mackenzie Glenn ('95) for her decorative visions and the time she spent on this evening. Amelia Pape ('00), thank you for time and effort in helping us put together great opportunities for our guests. Joni Kuhn, Marcia McDowell, Theresa Kiracofe, Edie Bloom, Amber Weber ('00), Kristyn Shank ('99), Jennifer Rhodehamel, Amy McBride, and Angela Gernhardt, thank you for everything you have done as well for making this night possible. We could not have done any of this with out you. Finally thank you to the staff of the Mission Advancement office. DeOsha ('06) Smith, Melissa ('84) Hire, and Georgia Lieb, thank you for your hard work and dedication to Bishop Luers High School.

We have a bright future ahead of us here at Bishop Luers High School. Thank you so much for all of your support and dedication and most importantly, thank you for joining us this evening.

God Bless you.

Sincerely,

Kristin Spoltman

ONEHOPE wine is more than just a wine company. They are a company that is passionate about making a difference in the world.
