A LETTER FROM JIM HUTH, PRINCIPAL AT BISHOP LUERS HIGH SCHOOL

Dear Bishop Luers Alumni and friends,

Peace and blessings to you and to your family. I trust this letter finds you happy, safe, and well.

Every journey ends and mine as Principal of Bishop Luers High School will draw to its close on June 30, 2023.

My journey here at Bishop Luers started 11 years ago, when I came here as the Athletics Director and moved into this position to help keep Bishop Luers growing and moving forward. Although I have very much enjoyed my time as Principal of Bishop Luers, it is time for me to move on and take my career in a new direction.

A School can be only as good as the people who fundamentally carry out its mission, and I am proud to say that the Bishop Luers faculty and staff have been the most talented, dedicated, child centered, and caring people that I have worked with in my career. I am honored to have had the opportunity to serve with this talented group. They are my colleagues who have become my friends.

I have a deep and abiding love for our students, their parents, and families who have been a part of Bishop Luers High School. Working over the years with parents and their students throughout the many happy, exhilarating times as well as the difficult and challenging ones has been an honor, privilege, and opportunity that I will forever treasure. Helping form the lives of our students is what I have been called to do. To help guide them toward their highest destiny with joy and acceptance as a means of honoring God has been my purpose. I thank every student present now or who has ever been a part of this school, for this sacred honor of helping be a part of their formation.

Our School Board is working with Partners in Mission to search for my replacement. The Board has developed a search committee that will work with the Firm to find just the right person to guide the school on the next leg of its journey.

We will continue to build God's good kingdom together with the vision of forming students who can independently choose quality, grace, and goodness throughout their lives. They are the promise of the future and the hope for tomorrow!

Once a Knight, always a Knight!

In Luers Spirit!

Class of 2023

The Class of 2023 finished strong at the end of the year! The Baccalaureate Mass was celebrated at the Cathedral of the Immaculate Conception, and Commencement was held in the Grand Wayne Center. The BLHS choir provided the music at Mass, along with Brenden Harrigan as the cantor. Students, families and friends enjoyed a beautiful sunny day for graduation. BLHS senior choir members performed "The Times They Are A-Changin'" by Bob Dylan.

Top 11 Students in the Class of 2023 (in alphabetical order) from left to right: Genevieve Cicchiello (Co-Valedictorian), Gianna Eyrich, Isabella Gerardot, Kayla Gumbel, Abigail Hall, Brenden Harrigan, Andrew Hormann, Grace O'Connor, Allison Renner, Abigail Spoltman (Co-Valedictorian), and Kala Ware.

Christ the Teacher Award

Mayson Whitman and her parents at the “You Can Lend a Hand” Luncheon.

Congratulations to Bishop Luers High School English Teacher Mayson Whitman on receiving this year’s BLHS Christ the Teacher award!

Whitman and other teachers from Catholic schools around the Fort Wayne-South Bend Diocese received their awards on April 14th from the Most Reverend Bishop Kevin C. Rhoades at the You Can Lend a Hand Luncheon. Congratulations also to Madeleine Strack (BLHS Alumna, class of ‘15), who received the Christ the Teacher award from St. John the Baptist Catholic School FW.

Sodalitas All-School Day of Service 2023

Students participated in service projects at several different locations in the community on April 28. Activities included creating field days for feeder school students, landscaping, sorting at a thrift store and food bank, cleaning, and visiting elderly in the nursing home.

What People Are Saying

Message from St. Therese School after the BLHS Sodalitas Service Day

“Thanks, again, for a fantastic Field Day! I was so impressed with the way you guys ran things today. And your students were amazing! They represented themselves and Bishop Luers extremely well. My students are still buzzing about the fun they had today, and are already asking if we can have the same Luers kids back next year. I hope you plan to continue offering Field Day experiences in the future, and I would like to reserve my school’s slot as soon as possible.”

A note from a Parent

“Thank you so much. The school has given my son much holistic formation just as I have been praying. He loves the school and everything about it. God bless you more and the whole of Bishop Luers Staff and Administration.”

Message from a parent who is enrolling a Freshman student

“Our oldest son only spent one year at Bishop Luers, and we regret not enrolling him sooner. Beginning next year, all of our kids will definitely attend Luers for all four years (we have an 8th grader, 6th, 4th and a 4 year old!)”

Most Reverend Bishop Kevin C. Rhoades' Pastoral Visit 2023

It was a joyful day at Bishop Luers High School! Most Reverend Bishop Kevin C. Rhoades came for his Pastoral Visit and five of our students received the Sacrament of Confirmation during the All School Mass. Three of these students also received their First Holy Communion, and one of them, Infini Hill, was received into full communion with the Catholic Church. Congratulations to Julio Ortega, Saul Badillo, Lila Trout, Malinaly Granados-Rios, and Infini Hill! Bishop Rhoades then ate lunch with Student Government, created a promo video with one of our film students, visited theology classrooms, and met with the Theology Department. Bishop Rhoades had many good things to say about BLHS. All in all, a good day.

State Competitions!

The BLHS Future Business Leaders of America competed at the State Leadership Conference in Muncie. The students competed in 32 different events from Accounting to Political Science to Journalism and won first place in 16 of the events.

ASB Science Team

This Academic Super Bowl team (Dominic Bryant, Tommy McComb, and Gianna Eyrych) went to state this year and finished in 6th place!

Performing Arts

YOU'RE A GOOD MAN CHARLIE BROWN

The Bishop Luers Performing Arts Department put on the show *You're a Good Man Charlie Brown* as the Christmas Musical this year! Brenden Harrigan starred as Charlie Brown, and Abigail Spoltman was Lucy. All of the showings for this musical were sold out! According to Performing Arts Director Karlene Krouse, these events are great opportunities for families to come and see the inside of our high school and see what the students do here. Several BLHS theater alumni are working locally in the Fort Wayne Arts scene.

ST. CECILIA HONOR BAND

The St. Cecilia Honor Band met for a whole day to practice for their performance at Bishop Dwenger High School this year.

The St. Cecilia Honor band is a collaboration between local Catholic schools to promote music and band, as well as an opportunity for students to learn from skilled musicians.

Students from Bishop Luers and Bishop Dwenger High School came, as well as students from feeder schools.

GREASE THE MUSICAL

The Bishop Luers Performing Arts Department presented a lively rendition of Grease this spring. Burger Palace Boys leader Danny Zuko (played by Caiden Girardot, '24), meets Sandy Dumbrowski (Estelle Keim, '24), during the summer, having a brief romance. In the fall, Danny realizes that Sandy has started attending his same school, and tries to act cool and pretend he doesn't like her. The show also follows the storylines of Zuko and Sandy's classmates. In the end, Zuko makes it up to Sandy and they reunite. One highlight of the show was the car (Greased Lightning) which was a golf cart with some cool decorations. The golf cart was driven on and off the stage using ramps to make the scene more unique.

SPRING CONCERT

The Spring Concert featured our choir classes, band classes, and middle school bands this year. Audiences heard from Beginning Choir, Concert Choir, Chamber Ensemble, Concert Band, Jazz Band, and Middle School band ensembles!

BISHOP LUERS ALUMNI ASSOCIATION MISSION

The Bishop Luers Alumni Association serves to foster an engaged and passionate community of Bishop Luers alumni in support of the students, faculty and school.

Working to support the mission and goals of Bishop Luers High School, the Bishop Luers Alumni Board hosts various events and functions throughout the year. The Alumni Board holds monthly meetings (except for July and December) at Bishop Luers High School on the first Wednesday of each month at 5:30 PM. All Bishop Luers High School alumni are invited to attend and participate in these meetings.

In 2023, the Alumni Board continued to make a big difference at Bishop Luers High School and in the Fort Wayne community.

In January, the Alumni Board officially adopted a City of Fort Wayne trail along Bluffton Road. The Alumni Board is charged with cleaning and maintaining the trail throughout the year. During the 2023 Great American Cleanup, several alumni gathered and picked up trash along the Bluffton Road trail, followed by lunch and conversation at the Stand Coney's and Ice Cream.

In March, the Alumni Board made two impactful donations to current and future Bishop Luers students. The board donated more than \$2,000 to the Bishop Luers Athletics Department with funds generated from the Luers Smoker. The funds will be used for student-athlete jerseys and team equipment. Additionally, the board donated \$2,000 to the Bishop Luers Theater Department for needed stage equipment used for theater and show choir performances.

If any Bishop Luers High School alumni are interested in getting involved with the Alumni Board, please contact President John P. Felts at johnpfelts@gmail.com for more information or if you have questions.

Legendary Luers Rock, Air Jordans

GARY MILLHOUSE (Class of '71) SHARES STORIES FROM THE FOOTBALL FIELD

Gary Millhouse ('71) with the Luers Rock.

For Gary Millhouse (Class of '71), Bishop Luers High School has been his home for over 37 years. He has served in different capacities in the athletics department, and then worked in the maintenance department ever since. He remembers the beginning of football traditions/stories at BLHS back when he was an athlete. Millhouse's three sons also went through the Bishop Luers Football program.

The first was one of collecting rocks in helmets. When the first football teams at BLHS went out to practice, the field was very rocky, full of small rocks. Often they would need to remove the rocks. The players would line the field, placing the rocks in their football helmets as they collected them, creating a pile that was shoulder high at the end of the season.

Luers Rock

In the year 2005 people began noticing a small rock poking out of the practice field as the football athletes were playing. When they went to remove the rock from

the field, they realized that it was bigger than they initially thought. The project became a much bigger deal. The more they dug, the larger the rock's circumference began to show. Eventually machinery was brought in to excavate the large boulder out of the ground. Ever since, the Luers Rock has sat next to the gate of the football practice field as a reminder of all those who practiced on that field in the past and ran over where that rock was. The football team will all touch the rock before they practice for a game.

Air Jordans

Bishop Luers has had several very successful athletes, and Cal Miller was one of them. He was an All SAC player in 1985 when the Knights won their first State Championship game.

He scored the final touchdown in the game, followed by a fellow athlete's field goal that sealed the deal. His achievements continue to be remembered at BLHS through a keepsake of his, Cal Miller's very

own cleats. Now, whenever they participate in a state final, a member of the football team will either wear his shoes or carry them in their bag to the game to remember Cal Miller's efforts that led to the first State Championship win.

Class Notes

Mr. Huth presented the Athletic Golf Outing 2023 Winning Team: Pete Mungovan ('81), Matt Redman ('81), Jeff Bryan ('81), and Don Morgan.

Nick Abbott ('10) recently came back to Fort Wayne as a cast member in Annie, the Broadway Musical. He played the part of the butler.

This spring, Freddy VanFossen ('23) was selected as an honoree in Whatzup? Magazine's 20 Musicians Under 20.

Looking to set up a reunion? Have questions? Want to schedule a visit? Please contact our Alumni Director, DeOsha Smith, at dsmith@bishopluiers.org or 260-456-1261 ext. 4103.

IN MEMORIAM

We remember the following Bishop Luers students, staff, family and friends who have passed, who we have been notified about since our last issue. May they rest in the peace of Christ.

'11 - Natalie Raugh

I attended Purdue University and graduated with my Doctorate of Pharmacy in 2017. I currently am a staff pharmacist at Amazon pharmacy! I am married to my husband Corbin Bomwan and have two children. My son, Archer Wayne Bowman, was born 8/22/21 at 25 weeks old. I

developed preeclampsia and HELLP syndrome and had to delivery him via emergent C-section. My Archer Wayne Bowman passed away on 8/29/21. At his funeral a monarch butterfly flew down and touched his casket and flew up into the sky. Ever since, when we have seen monarch butterflies, it's a reminder of our sweet boy in heaven. I had my daughter 01/22/23. Her name is Charley Jane Bowman and she is the light of our lives. We have lived through some darkness, but always kept our faith in God which gave us strength every day. Bishop Luers will always hold a huge place in my heart.

'13 - Colleen (Scheible) Hill

Bryce Hill ('10) and Colleen (Scheible) Hill ('13), were married May 6, 2023 at the Cathedral of the Immaculate Conception in Fort Wayne, IN.

'13 - Stephen Stachofsky

My wife (Georgia Gladding, '12) and I have 3 children now; Samwise (4), Luke (2) and Clara (3 months). We keep busy, myself working full time downtown and Georgia running a private practice, Music Therapy; A Joyful Hope, LLC. In my free time I manage and direct local performance ensemble the Ragtag Bunch, which is a group of friends and singers from across the Fort Wayne area who bring traditional Celtic Folk and Drinking songs to local bars, breweries and restaurants.

'18 - Francis Thawn

I have focused my career in Real Estates and I obtained my license in summer of 2022. My goal is to help families and friends build equity through real estate as primary homes or investments portfolio. I would be happy to help those who may need my assistance from members of school alumni as well as Bishop Luers families. I can be reached at 260.458.7813

An Adoption Story

LUERS SPIRIT CONTINUED AS THE FIATO FAMILY OPENED THEIR HOME TO ADOPT

Liz Fiato (class of '99) always wanted to adopt. Liz's husband Brian Albrecht was on the same page as well. After moving to Louisiana, they decided to go ahead and begin the adoption process. After taking classes in 2016 and receiving certification in 2017, they found themselves opening their home to help with foster care. This was not originally part of their plan, but they learned a lot from the process.

Liz and Brian have since fostered six kids and adopted three of them. Each child has their own story and comes with their own set of hardships from the trauma of their past life. They cared for Rose, an infant at the time, who was born with drugs in her system. This was difficult for both Rose and her foster parents, but she is currently happy and well. Brianna came to their home at an older age. She was in her late teens and wasn't sure if she wanted to be adopted when they offered to adopt her. Brianna then aged out of the foster care system and joined the army. She later got back in contact with her former foster parents. Liz received a phone call from Wendy's Wonderful Kids, a program that helps with adult adoption. They pair young adults who have aged out of the foster care system with couples that can be there for them. Brianna had decided that she wanted to be adopted after all. Liz and Brian adopted Brianna and Rose. The Albrecht family has since moved back to Fort Wayne. Brianna has a friend to Fort Wayne.

Liz has some advice for anyone considering adoption as an option for them. “I’m a firm believer of nurture over nature. Do your research. Have a good support system of family and friends. You will need them for moral support, to help watch the children, to attend doctor/therapy appointments.”

Liz knows of other graduates in her BLHS Class who have adopted children. She believes there is a desire in many of the BLHS classes to live God's Word, reach out, take care of the homeless, and give shelter to those in need.

Liz has good things to say about her time at Bishop Luers High School. “There was always a camaraderie amongst the students.” One of the most fascinating things about Bishop Luers High School for Liz was the teachers. “We had so many amazing teachers that didn’t just treat us like teenagers. They were treating us like young adults and they were preparing us to become older adults.”

Trivia Knight 2023

Trivia Knight 2023 had a great turnout, with a Musician Mayhem theme. Congratulations to Team Felts for their first-place win (second time in a row)! The “50 Cents” won best dressed for the evening, decorating with lighted trees and coins hanging off of the tree branches, as well as creating their own shirts for the event. Best table award went to “Concert Cacophony”, who brought their own disco light as well as t-shirts from past concerts that they put on display. The fantastic Justin Dirig was emcee for the evening. 50/50 raffles and Heads and Tails provided entertainment during breaks.

Sip & Shop

This new event involved food, sipping wine, and shopping! Several vendors sold items including rosaries, clothing, jewelry, nutrition items, craft and home goods. Each registrant received a custom wine glass with a Knight on it. We are having a second annual Sip & Shop event next year, all are welcome!

CELEBRATING THE "BOND THAT UKNIGHTS US"

Around 300 people came to support and celebrate Bishop Luers High School this year on April 21! Attendees enjoyed a Hall Pass Happy Hour, where they walked the halls with appetizers and drinks. The festivities continued in the gym, with a three-course meal, music from the BLHS Jazz Band and Show Choir, and silent and live auctions. There were some very enthusiastic and persistent bidders this year. Finishing out the evening was the Bar Band, Dave & Rae! Thank you to all who supported BLHS financially during this evening! It was also a lot of fun to see familiar faces and catch up. Mark your calendars, because Luers Knight 2024 is April 26!

BLHS film students created videos for Luers Knight highlighting each teaching department, along with their wish lists of what they feel will most help their department for next year. These videos were shown in classrooms throughout the school during Luers Knight. Please take a look at the final videos by scanning the QR code on the right with your phone. If you feel called to donate to a specific department, please fill out our donation form online and list the department you would like the donation to go towards.
