

Edgewood Virtual Academy

*“Preparing to be successful
in and out of the classroom”*

InvEst in YOU!

Investing in yourself is the best investment you can make. It will improve your life and the lives of the people important to you.

The Virtual Academy Team

Our Mission

The mission is to enhance the educational experience for the students of the Edgewood community through the development and operation of sound educational programs. To create a unique, student centered, innovative learning environment, that addresses the needs of each specific student so they can be successful in and out of the classroom.

Benefits of High School Diploma

- Better career opportunities
- Higher Salary
- Opportunity for Higher Education
- Better work benefits
- Personal marketability
- Lifelong opportunities

What We do at the Academy

Build positive strong relationships with students and families.

Over communicate: Students and families will always know about their progress

Provide one on one instruction for students

Goal Setting- Each student completes a goal setting day. What is YOUR why

Monday Meetings- Weekly meeting with an instructor to discuss your goals, progress, and action items

Think about it Thursday's: Guest speakers will come in and speak to students about future opportunities and what it takes to achieve them.

Have students complete career interest surveys to gain knowledge of possible student careers

Collaborate with local businesses about potential job opportunities for the student.

Provide review for state test.

AND MUCH MORE!!!!
