### Total Teachers (FTE)

 22.5

### Schools in District

 2

### Per Pupil Spending

 \$20,755

Statewide Average: \$14,125

District Average: \$14,691

## Performance Indicators

Maine's accountability system provides a broad picture of public education throughout Maine and highlights those schools that need additional support. Maine has selected five measures of school accountability, called indicators. These indicators include: Chronic Absenteeism, Academic Progress, Progress in English Language Proficiency for English Learners, Academic Achievement, and Graduation Rate. Boothbay Region High School's progress for each indicator is reported on the following four levels: Emerging, Developing, Meeting, and Excelling.

Performance Indicators will be determined after federal approval of Maine's accountability model under ESSA

 View information on performance indicators: [https://www.maine.gov/doe/Testing\\_Accountability/ESSA](https://www.maine.gov/doe/Testing_Accountability/ESSA)
