CURRENT RESIDENT

From the Superintendent's Desk

From the Superintendent's Desk,

THRIVE is the theme for the 2023-2024 school year. Much planning has occurred over the past year and during the summer months to provide students, staff, families and community members the opportunity to **THRIVE** in the school setting.

At the center of **THRIVE**, targets include:

- creating an environment where students can discover who they are and who they want to become
- promoting daily successes
- developing habits promoting a passion for lifelong learning.

Evidence of thriving over the summer months:

- PHS Bleacher Project
- Improved Parking lots
- Outdoor Learning Center
- New kitchen equipment and walk-in cooler
- A second Activity Bus
- ROOMS and Pikeland App

I look forward to watching you and yours **THRIVE** this school year.

Dr. Kilver

Board of Education

WELCOME BACK TO SCHOOL

PHYSICAL EXAMS/IMMUNIZATIONS:

1. Physical exams are mandated by the Illinois School Code for grades K, 6, 9, and for all students new to the Pikeland School System. Evidence of such physicals for these grades should be presented by the opening day of school. Students will be excluded from school if not in compliance.
2. Immunizations and appropriate boosters are required for all students in the district regardless of age or grade.
3. Compliance date for all grades is October 13, 2023

PIKELAND PUBLIC SCHOOLS FOUNDATION

PURPOSE

The Pikeland Public Schools Foundation, a not-for-profit organization, is a partnership of our public schools with private businesses and individuals to promote and recognize the excellence of education within our community. Through this partnership, select activities and services can be made available to benefit our school children.

HOW THE FOUNDATION WORKS

The Pikeland Public Schools Foundation works in cooperation with the Pikeland School District #10, but it is a separate and independent entity. The enthusiasm and support demonstrated by area individuals and businesses will be evidenced through this Foundation.

The support of individuals and area businesses is essential for the success of the Foundation. Financial contributions will help ensure excellence and quality in the education of our area youth. Commitment to the Foundation is a great investment in our community's future.

The Pikeland Public Schools Foundation is a not-for-profit organization. All gifts are tax deductible. Those making donations of money or property may elect to direct their gifts for either designated or general purposes.

DESIGNATED GIFTS: A gift to the Pikeland Public Schools Foundation may be designated for a specific purpose. This might be a scholarship, special activity, or equipment. In the case of a designated gift, the Foundation will simply receive the gift and assure the disbursement for the designated purpose.

GENERAL GIFTS: Gifts to the Foundation may be unrestricted. The Foundation will invest these monies to preserve the principal. In most cases, only the interest will be used on key projects which have been identified by the Foundation in cooperation with School District #10.

ACTIVITIES AND SERVICES TO BE FUNDED

Projects that could be funded by general or designated purpose gifts include, but are not limited to:

- Scholarships, grants, or loans to students.
- Specialized materials and equipment for innovative or traditional educational programs.
- General financial support to extend existing curricular programs.
- Faculty grants for research or instructional programs.
- Grants in recognition of an outstanding teacher or leader.

ADMINISTRATION OF THE FOUNDATION

The board of directors for the Pikeland Public Schools Foundation is comprised of interested business and educational leaders, and other supportive individuals from within the Pikeland District. The representation permits the necessary balance of expertise in such areas as education, finance, and business.

It is the goal of the Foundation's board to provide the link between the needs of the area youth and those wishing to support those needs in order to build a strong, enthusiastic partnership in education.

The board is responsible for providing overall direction and policy making for the Foundation.

Shaded areas throughout the calendar indicate that classes are not in session that day or that half day.

ADMISSION TO SCHOOL

Any child whose fifth birthday occurs on or before September 1st may enter kindergarten at the opening of school.

Any child whose sixth birthday occurs on or before September 1st may enter first grade at the opening of school.

When a child enrolls in Unit 10 schools for the first time, a birth certificate or other document certifying the date of birth must be presented. Illinois law and District Policy require that all children in Pikeland must provide evidence of a physical examination and immunizations as follows:

- Within one year prior to entering kindergarten or the first grade;
- Upon entering the sixth and ninth grades
- Prior to entrance into preschool
- And irrespective of grade, immediately prior to or upon entrance in the public school.

Required immunizations and necessary boosters are for diphtheria, whooping cough, tetanus, polio, measles, mumps, rubella, chicken pox, hepatitis B and meningococcal. Failure to provide required physical examinations, immunizations and other appropriate records from the previous school will result in exclusion of the student from school. A student transferring into the District should provide a report card, health records, **proof of residency** within the Pikeland Unit 10 school district, and other appropriate records from the previous school. The receiving school will initiate necessary action to obtain the student's transcript from the former school.

The requirements for dental examination are as follows:

- All children in kindergarten, second, and sixth grades will be required to have an oral health examination. Each child shall present proof of examination by a dentist prior to May 15th of the school year.

The requirements for a vision examination are as follows:

- All children enrolling in kindergarten or enrolling for the first time will be required to have an eye examination.
- Each child shall present proof of examination by a physician who performs eye exams or a licensed optometrist within the previous year by the exclusion date established by the district.

Shaded areas throughout the calendar indicate that classes are not in session that day or that half day.

Social-Emotional Learning

Social-Emotional Learning (SEL) is the process of acquiring and applying the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals, feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.

Social-Emotional Belief Statements

We believe mental wellness impacts physical, emotional, social and academic success.

We believe the development of a learner's brain relates to emotional and academic growth.

We believe individuals communicate through their oral expressions and behaviors.

We believe active participation develops a sense of belonging necessary to develop healthy, positive relationships.

We believe a positive climate and culture is fostered through the combination of social and academic experiences.

We believe all members of our learning community benefit from social emotional support.

We believe social-emotional support requires a focus on a learner's strengths.

We believe we do what is best for students when family and caregiver voices are part of the decision-making process.

We believe two-way communication and feedback are critical in building relationships.

We believe all learners are on an individualized journey requiring skills supporting self-management, social awareness and decision-making.

We believe learners thrive when there is a balance of clear expectations and empathy.

Shaded areas throughout the calendar indicate that classes are not in session that day or that half day.

December 2023

Seniors at PHS didn't realize they were making memories, they were just having fun!

"My greatest memory was playing in the girls basketball regional championship game my junior year." - Lainie Marable

"I have many exciting and fun memories throughout my education, especially during high school. One of the most memorable was playing volleyball at 2:00 a.m. at after-prom."

- Emma Gay

"My experiences throughout the extracurricular programs at PHS are by far my favorite moments and memories that I will forever cherish and be grateful for." - Alexis Ator

"My favorite memory was beating Jerseyville. Two players hit home runs to pull ahead and then I had a tough play at third base to end the game." - Konner Allen

"My favorite memory is when Wyatt and I won the bass fishing sectionals in 2021." - Liam Bonnett

It is a legally required record kept at the school office regarding a student's academic and social progress from kindergarten through the twelfth grade. The record includes such items as: Registration Information Form - Health Card - Academic Record - Suspension Letters or Slips - Progress Grade Slips. The Cumulative Record may be viewed by school staff (teachers, counselors, principals, etc.) and by parents or guardians in the presence of the school principal or his/her designated representative. The counselor may discuss the contents with college personnel if the student has applied to a college. No other people outside of school may see this record unless it is subpoenaed by court.		

Purchasing in Pike County is a profitable practice.

CHESTNUT HEALTH SYSTEMS VIRTUAL SCHOOL-BASED SERVICES

Chestnut mental health services are designed for effective, short term interventions for a variety of difficulties experienced by young people. Our staff is experienced in helping families and children cope with such issues as depression and grief, anxiety, behavioral problems, family conflict, blended family issues, and trauma.

BENEFITS

- Comprehensive virtual mental health services
- Increased collaboration among school staff, parents, and mental health professionals
- Student access to mental health services during the school day
- Mental health and education integration
- Year-round services
- Summer services available

REFERRAL PROCESS - IT'S SIMPLE

Parents or caregivers; call the school and ask an administrator, counselor or social worker how to get services started.

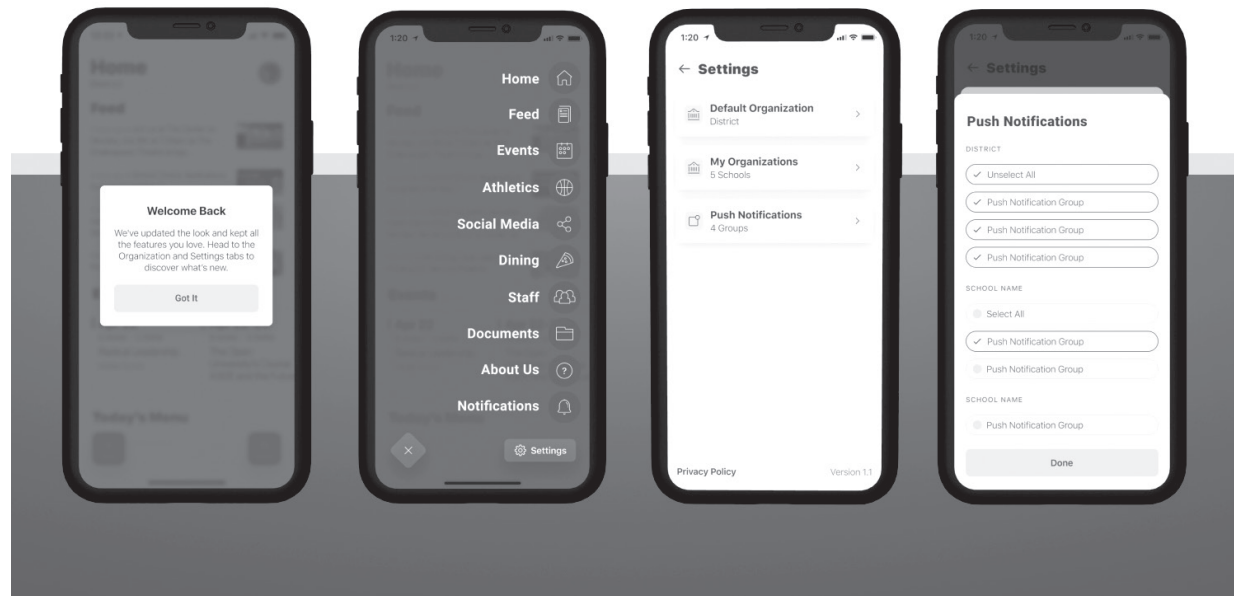

Shaded areas throughout the calendar indicate that classes are not in session that day or that half day.

A Tale of Two Teachers

Chardy and Justin Bangert teach instrumental music at Pikeland. The husband-and-wife team met while playing in the Quincy Park Band and attending Quincy University. They were married in 2005. Justin came to the district in 2003 and teaches the high school and 6th grade bands. Chardy started teaching in 2003 and came to Pikeland in 2016. Chardy teaches the 5th grade beginning band and junior high band. Chardy also uses her baton twirling background to coach the PHS flag team. In addition to their teaching duties, Justin and Chardy perform their instruments regularly in several area ensembles including the Quincy Park Band, Quincy Concert Band, Heidelberg German Band, Big River Swing Machine, Bullis-Rutter Big Band, Macomb Post 6 Big Band and "Jukebox Reloaded", a seven-piece classic rock band. The Bangerts are Disney fanatics and "Parrotheads." They enjoy traveling and spending time with family and live in Meredosia with their dog Lulu. To say that Pikeland was extremely lucky to get this husband-and-wife duo is an understatement because they don't just teach instrumental music, they touch hearts one "note" at a time.

Shaded areas throughout the calendar indicate that classes are not in session that day or that half day.

Internet Safety

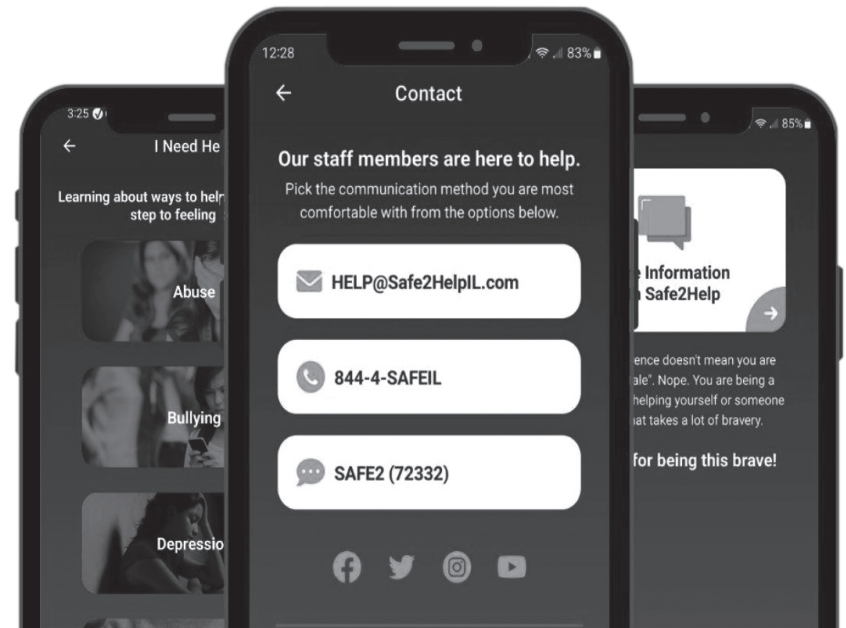

The internet has become a great tool for children to learn and explore many things in the world. Pikeland students receive information and lessons on digital citizenship and internet safety. Pikeland also recognizes that parents are a key role in protecting and educating students on appropriate internet usage, and want to support you in this process. You can find resources for internet and social media safety on the district's website.

Tips For Caregivers

- Spend time online together to teach your kids appropriate online behavior.
- Bookmark kids' favorite sites for easy access.
- Consider setting screen time limits for your children.
- Make sure your child knows never to meet face-to-face with someone they met online.
- Encourage computer use at home to be in a common place.
- Create an open dialogue with your child to talk about their activities on the internet, create rules for computer use, and give them confidence to come to you if something makes them uncomfortable or if they feel unsafe with something on the internet.
- When you feel like they are ready, help your child create accounts/profiles on age appropriate social media sites. This allows you to know the password so you have access. It is also beneficial to create your own account and require them to have you added as a friend so that you can see their social media activity.
- Notify law enforcement with internet threats or illegal activity.
- Things to monitor when chromebooks are in the home: privacy, supervised use, developmentally appropriate activities, website credibility, online purchasing, cyberbullying, online predators, and screen time.

Safe2Help Illinois features a 24/7 helpline (1-844-4-SAFEIL), free mobile app, and dedicated website (www.Safe2HelpIL.com). In the absence of a trusted adult, students can use Safe2Help Illinois to share concerns about themselves or others in a confidential environment. Once vetted, the information will be immediately shared with local school officials, 911 call centers/Public Safety Answering Points (PSAPs) depending on the nature of the tip. It is important to note that this program is not intended to punish, suspend or expel students. Rather, the intent is to encourage students to "seek help before harm," with the goal of intervening and helping students before they harm themselves or others.
