Dear Parent/Guardian:

Your student will be asked to complete a Panorama Student Survey at the start of the 2022-2023 school year. This will be administered online during school hours. The school plans to administer surveys twice a year, once in the fall and once in the spring. The survey results are confidential and will be used to improve students' experiences at school.

The Panorama Student survey will capture the student perceptions of teaching and learning, culture and climate, and student experiences in the classroom and at school. Attached to this letter you will find a list of some of the questions that will be asked on the survey.

Last year, the feedback from the fall Panorama survey allowed administration and staff to establish targeted action plans to improve the students' experience. Students took the survey again in the spring, providing feedback data to measure progress and make adjustments for the upcoming school year.

This survey is voluntary, however your student's voice plays a valuable role in supporting our effort to enhance their educational experience. If you would like your student to opt out of the survey, please fill out the opt out form attached and return it to the office by Tuesday August 30th, 2022.

If you have any questions or concerns regarding the survey, please call the superintendent's office at (217) 285-2147 or visit <https://www.panoramaed.com> for more information.

Sincerely,

Pikeland Administrative Team
Pikeland Social Emotional Learning Team
