

General School Administration

Organizational Units and Structural Relationships

The administrative organization of the District shall be considered as an orderly means of achieving the District's primary objective, an effective program of instruction for pupils.

The general administrative organization of the District shall be known as the single executive type of school administration with the Board as the governing body and with all activities under the direction of the Superintendent of Schools.

ADOPTED: July 14, 2008

REVIEWED: December 9, 2019
