

HARBOR INDUSTRIES

HARBOR designs & manufactures retail displays & fixtures. We specialize in creating brand and retailer in-store experiences for regional & national roll outs.

HIRING IMMEDIATELY FOR

MACHINE OPERATORS

Set up and operate the CNC machine and feed stock through the machines.

ASSEMBLERS

Operate assembly equipment safely to produce the required number of parts that meet quality standards in a timely manner.

MATERIAL HANDLERS

Move materials to and from storage & work stations through proper selection & use of equipment such as a lift truck, hand truck, pallets, racks & hand tools.
