Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Ellsworth Community School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Aaron Gaffney, Superintendent for assistance.

The AER is available for you to review electronically by visiting the following website <https://www.ellsworth.k12.mi.us/page/annual-education-report>, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

State law requires that we also report additional information.

1. As ECS is a single building school, students are not assigned to specific school buildings.
2. ECS meets annually to review our school improvement plans with key stakeholders including teachers, parents, students, and community members.
3. ECS does not house any specialized schools.
4. ECS follows the State of Michigan curriculum guidelines. Copies of our course catalog are available in the main high school office.
5. ECS administers the NWEA assessment annually to students in grades K-8. Assessment results are reported to the Board of Education in February and June.
6. For the 2021-22 school year ECS has 12 students enrolled in dual enrollment courses.
7. ECS offers AP courses in an online format on a student by student basis.

Sincerely,

Aaron Gaffney
