Permission Form for Account Creation and Internet Access

Barrington Public Schools (BPS) is pleased to offer authorized users access to district computers, the Internet and an array of technology resources to promote educational excellence. Authorized users include students, staff and guests. Each user is responsible for their use of technology whether personal or district-provided. While using district or personal technology resources on or near school property, at home, in school vehicles, and at school-sponsored events, as well as while using the district's technology resources via remote access, each user must act in a manner consistent with school, district and legal guidelines. Please read the full Technology Responsible Use Policy at https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/875117/Technology_Responsible_Use_Policy__2_.pdf

At Barrington Public Schools, we use G Suite for Education, and we are seeking your permission to provide and manage a G Suite for Education account for your child. G Suite for Education is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers around the world. At Barrington Public Schools, students will use their G Suite for Education accounts to complete assignments, communicate with their teachers, sign into devices, access the internet, and learn 21st century digital citizenship skills.

As a parent or guardian of this student, I have read and understand the terms and conditions for account creation and internet access. I understand that this access is designed for educational purposes and the Barrington Public Schools will take reasonable precautions to restrict access to inappropriate material. I also recognize that it is impossible to restrict access to all inappropriate material and I will not hold the Barrington Public Schools responsible for materials acquired on the Internet. I hereby give permission to issue an account for my child.
