DALE NORTON AWARDED 2018 SUPERINTENDENT OF THE YEAR By the NEVADA ASSOCIATION OF SCHOOL BOARDS

The Nevada Association of School Boards (NASB) presented their 2018 awards during their annual conference this past weekend. The Superintendent of the Year award was presented to Dale A. Norton, Superintendent of Nye County School District. This is the second award he has received of this type during the 2018 school year.

Superintendent Norton was nominated by the Douglas, Lincoln, and Nye County School District Boards of Trustees. The award recognizes the consistent use and development of skills and programs focused on board-superintendent cooperation and teamwork to improve student achievement.

When asked, Mr. Norton stated, "I am honored to be the recipient of this award. NASB truly understands what it means to work side by side with a seven member board to successfully implement their vision of a high performing district." He said he is very fortunate to have a Board of Trustees who continue to support him with bringing the district's focus back to educating students.

Dale Norton has been with Nye County School District for the past twenty-eight years and is currently in his seventh year as the Superintendent of Schools. During this period, he has initiated programs, academically focused trainings, and workshops that have improved the communication and understanding among all levels of leadership district-wide.
