**APRIL 26, 2019**

### **State of Nevada Department of Agriculture**

Congratulations to Jodi Martinez, Food Service Coordinator, for all the hard work to make Nye County School District the first district in Nevada to go district wide Community Eligibility Provision (CEP)

Nye County School District's application to participate in the CEP of the National School Lunch Program and School Breakfast Program has been approved for school years 2019-2023 (July 1, 2019 through June 30, 2023). The CEP calculations were based on eligibility data collected as of April 1, 2019. The entire district is approved for the CEP, which means free breakfast and lunch for all students at all NCSD schools.
