

SUPERINTENDENT EVALUATION POLICY

The Barrington School Committee shall conduct a formal, written evaluation of its Superintendent based on the execution of job duties and responsibilities, as well as performance on meeting pre-determined goals. The School Committee shall also conduct a mid-year written evaluation to assess progress on meeting pre-determined goals.

The evaluation process is meant to facilitate communication and understanding between the School Committee and the Superintendent, commend the Superintendent for accomplishments, provide constructive feedback, suggest ways for the Superintendent to improve, and facilitate and document decisions made regarding the Superintendent's employment.
