

## **School Locker Policy**

Lockers, both student and employee, in the school are and remain the property of the Town of Barrington and are in the care, custody and control of the Barrington School Committee. These lockers may be only used for items related to and for school work. Items that may be stored include outer coats, books, school supplies, etc. No illegal, controlled substances such as alcohol, or non-prescribed drugs, and no prohibited articles such as weapons of any kind whatever may be stored in school lockers. The school administration in each of the public schools has the right and responsibility to search lockers when there are reasonable grounds to believe that prohibited articles may be contained therein and to confiscate such articles. Every effort will be made to have the student or employee present except in circumstances where either (a) the student or employee is unavailable; or (b) having the student or employee present might jeopardize the safety or welfare of those present in the school building, then the student or employee will be notified by the following school day.
