

## **Barrington Public Schools Public Use of Facilities**

The Barrington Public Schools (BPS) welcomes the use of facilities available within BPS by civic, cultural and educational organizations.

Official municipal, school, library and other governmental or quasi-governmental meeting requirements will receive first consideration in the scheduling of the available spaces within the various school buildings. The facilities are not available for private social gatherings, religious services or activities, commercial purposes, or gatherings not serving a community purpose.

All applicants for facilities use must provide a certificate of insurance and/or a lessee's indemnification agreement to receive approval.

Application forms and lessee's agreements are accessible on the BPS District Website under the District "facilities" tab and on the School Websites under the "events or activities" tab through Google Forms. Completed applications accompanied by applicable fees and proof of insurance must be submitted prior to the meeting date.

All applicants must agree to adhere to the rules and protocols related to the use of school facilities, [click here](#). The Superintendent is granted the discretion to interpret these policies based upon the nature of each request and special circumstances encountered in the interest of effective scheduling and use coordination.
