

## **Relations Between School Personnel and the Public**

School Committee members and staff shall, insofar as possible, refer persons making complaints or inquiries about the schools, its policies, and personnel to the appropriate person as described in the Administrative Organization Policy (2310 & 2320) and the Chart (2310) which show lines of primary responsibility, and shall seek to have complaints or inquiries handled according to the method described therein.

Policy Adopted 06/25/58
