

Am I Still considered a Student of the Bedford Area School District?

Enrolling in the Bedford Virtual

Academy or just taking an online course in our academy doesn't change your student status. You are still a student of the Bedford Area School District. You will still be able to participate in school district events, athletics and programs. You will graduate with a Bedford High School Diploma.

BEDFORD VIRTUAL ACADEMY

“I took online classes in the summer and throughout the year for enrichment and acceleration.”

Our mission is to offer a structured, flexible, interactive learning Environment to prepare students for optimal academic development from elementary through high school. With the effective use of technology and teachers, we meet students’ individual needs to develop skills necessary to prepare them for the evolving global community.

“I can take one class online, all classes online, or any combination.”

“We took an online class here at BHS because of a schedule conflict.”

Why does Blended Learning make sense?

“The Bedford Area School District believes that student learning is not confined to the school day or to the classroom. We understand the desire of some students and parents to pursue non-traditional educational opportunities. Online learning is becoming more prevalent, and we are committed to providing these learning opportunities to our students. It is our intention, while providing these options, to ensure the quality and integrity of our academic program. The tradition of Excellence continues in this venue for our students.”
