A message from the Superintendent and Board President

Dear Hilton Community Members,

Throughout the pandemic, the Hilton Central School District has continued its commitment to educating each student for success academically, physically, emotionally, and socially. We take the responsibility of developing a fiscally and educationally sound budget very seriously, and are presenting a proposed budget to our stakeholders that takes into account all of the challenges this year has brought to our community.

We are pleased that the proposed budget does not include any cuts to staff or elimination of opportunities for students. The District has received additional state aid in the amount of \$2,155,966 that has enabled us to cover our budget deficit of \$1,927,500. The remaining \$79,161 will be used to fund a small number of new initiatives, including calculators and fitness center equipment replacement at Merton Williams Middle School, weight room equipment replacement at Hilton High School and athletic equipment replacement districtwide.

For the 10th consecutive year, the recommended budget remains within the maximum allowable tax levy limit. In fact, our 2021-22 budget projects an estimated reduction in taxes of \$50 for the average home value of \$100,000.

As always, the budget development process utilizes input from many district stakeholders and anchors into the District's mission, vision and beliefs. Thank you to the Board of Education and administration for their diligent work in developing a spending plan that honors both the education of our students and fiscal responsibility to our community in this unprecedented time.

We also want to thank you for taking the time to learn about our proposed budget. The Meet the Candidates Night will be held **Monday, May 10 at 7 p.m.** and Annual Budget Hearing on **Tuesday, May 11 at 7 p.m.** in the Quest auditorium. Those interested may also participate virtually. Please check our budget webpage at Hilton.k12.ny.us/Budget for more information.

Please - remember to vote on May 18!

Sincerely,

Mark Hilburger

Board of Education President

Casey Kosiorek, Ed.D.

Capital Project Update

Residents voted on a \$32.25M capital project in Dec. 2016. Since then, Phase 1 (new roof and mechanical systems updated at Hilton High School and tennis courts relocated), Phase 2 (renovations at Quest and Village Elementary Schools, and Merton Williams Middle School), and Phase 2b (renovations at Northwood Elementary School and Hilton High School) have been completed. Planning has begun for Phase 3 and will be communicated to district residents in the near future.

NUTRITION

In addition to serving meals to students every day in school since September, Food Service has delivered over 7,000 meals to families and has provided over 25,000 meals for pick up during the current school year.

HILTON HIGH SCHOOL

- Over 200 sophomores presented their Middle Years Programme Personal Projects for the highest completion rate ever.
- Thirty-five students are candidates for the NYS Seal of Bilingualism this year.
- Hilton High School has the highest consistent attendance rate among all BOCES 2 component districts (9) for the WEMOCO Career and Technical Center. Sixteen students earned WEMOCO endorsements in 2019-20.
- The Class of 2021 has 22 seniors who have earned Valedictory Honors (seven-semester GPA of 97.0 or higher).
- The Hilton High School Drama Club created an entirely virtual theatrical performance of "Game of Tiaras."
- The Mock Trial Team won the 2021 Monroe County Championship, their third in six years. The team has competed in the finals every year since 2015 with the exception of 2020 due to cancellation.

Class of 2020

- Hilton High School's overall graduation rate is 97.4 percent. Of the 363 graduates in the Class of 2020, 115 earned Regents Diplomas and 180 earned Regents Diplomas with Advanced Designation.
- Nine graduates earned International Baccalaureate Diplomas.
- Sixty-six percent headed to four-year colleges and 19 percent to two-year colleges, for an overall 85 percent college bound.

FISCAL RESPONSIBILITY

Hilton CSD's per pupil expenditure is \$20,314. With the Monroe County average per pupil expenditure at \$24,359, this is the 12th consecutive year Hilton CSD has had the lowest cost per pupil in the county.

STAFF DEVELOPMENT

- The program "Distance Learning Near and Far" taught 72 teachers how to make technology work for hybrid instruction.
- The "Assessment-Capable Learners" program taught 72 teachers how to help students be able to say, "I know what I know, what I don't know and where I am going. I have the tools I need for the journey and I monitor my own progress."

On the Ballot

Proposition #1

Authorization to expend the budget and levy taxes

Be it resolved, that the Board of Education of Hilton Central School District, County of Monroe, New York, is hereby authorized to expend the amount of \$87,378,298 for the 2021-2022 budget as set forth and to levy the necessary taxes thereof.

Proposition #2

Bus purchase

Resolved that the Board of Education of the Hilton Central School district is hereby authorized to undertake the acquisition of seven 69-passenger school buses at an estimated maximum cost of \$122,857 each, two 30-passenger school buses at an estimated maximum cost of \$70,298 each, two 24-passenger wheelchair school buses at an estimated maximum cost of \$79,458 each, all at an estimated maximum aggregate cost of \$1,159,511, less trade-in value, if any, and that such costs, or so much thereof as may be necessary, shall be raised by the levy of a tax to be collected in annual installments; and, in anticipation of such tax, debt obligations of the school district as may be necessary not to exceed \$1,159,511 shall be issued, or the school district may enter into an installment purchase contract if the Board of Education determines that it is in the best interest of the school district to finance the purchase in that method.

DISTRICT RECOGNITION

- Hilton CSD received a Rochester Choice Award for Best Public School.
- For the eighth consecutive year, Hilton CSD was named a Rochester Top Workplace. In addition, the district received the Founder's Award, first place in the large employer category for the second time, and also received a Specialty Award for providing meaningful work.
- Tom Fisher, Merton Williams Middle School teacher, Melanie Klock, Northwood Elementary teacher, and Paige Langswager, Quest Elementary teacher, received News 8 Golden Apple Awards.

Proposition 2

Purchase of Buses

If approved, Proposition 2 will allow the District to purchase seven 69-passenger school buses at an estimated maximum cost of \$122,857 each, two 30-passenger school buses at an estimated maximum cost of \$70,298 each, two 30-passenger wheelchair school buses at an estimated maximum cost of \$79,458 each, all at an estimated maximum aggregate cost of \$1,159,511. The buses are financed over five years and operated for 10 years, with the first payment falling in the 2022-23 school year. The cost of bus purchases, including interest, is substantially reimbursed by the state at the rate of 84.9 percent. The proposition is in line with the District's bus replacement schedule. The buses being replaced are 9 to 10 years old with over 100,000 miles.

Why is a bus replacement schedule important?

- First and foremost is the safety of the students!
- Replacement schedules are used to manage the overall maintenance cost over the life of the bus:
 - ▶ Higher maintenance costs with older vehicles.
 - ▶ More efficient budgeting when fleet is replaced at regular intervals.
 - ▶ More accurate wage projections for mechanics, often saving the district money.
 - ▶ Less need to stock expensive, major components, such as engines, transmissions and drive trains.
 - ▶ Accurate projections for inventory of parts, allowing for accurate budget preparation.
 - ▶ Less body work, which can be costly and becomes necessary when buses reach six years of age. (Standard warranties are generally for five years.)
 - ▶ More focus on preventative maintenance, not wholesale component replacement.
 - ▶ Less chance that buses will be put out of service during Dept. of Motor Vehicles inspections due to issues related to body panel rust and component corrosion.

Capital Outlay Project

NYS allows districts to receive building aid for one capital outlay project per year on expenses up to \$100,000. Hilton CSD will continue to replace classroom flooring at Village Elementary that was installed in 2002. It will be replaced with the same rubber flooring that was installed in the new classrooms as part of the Capital Project. Contact Director of Buildings and Grounds Mark Edwards for more information at medwards@hilton.k12.ny.us or 392-1000, ext. 7066.

Under the Budget Proposed for the 2021-22 School Year

Estimated Basic STAR Exemption Savings ¹	\$680.00
---	----------

¹The basic school tax relief (STAR) exemption is authorized by section 425 of the Real Property Tax Law.

The annual budget vote for the fiscal year 2021-2022 by the qualified voters of the Hilton Central School District, Monroe County, New York, will be held at Northwood Elementary and High School in said district on Tuesday, May 18, 2021 between the hours of 6:00 AM and 9:00 PM, prevailing time in the Northwood Elementary and High School, at which time the polls will be opened to vote by voting ballot or machine.

Budget questions and answers

Can I vote in person this year?

Yes, the District is holding an in-person vote this year. Voters must wear a mask and practice proper social distancing. Absentee ballots are available at the district clerk's office for registered voters who are unable to appear at the vote due to vacation outside of the country, hospitalization, illness or other qualifying circumstances, such as concerns related to COVID-19. For more information, contact District Clerk Julie Norris at 392-1000, ext. 7099.

What if the proposed budget doesn't pass?

If voters do not support the budget, the District could adopt a contingent budget or hold a budget re-vote on June 15, 2021. In the event the Board of Education adopts a contingency budget, the tax levy may be no greater than the levy of the prior year, which means additional reductions totaling \$747,309. The District must determine what constitutes ordinary contingent expenditures. The emphasis should be on those expenditures considered essential to maintain an educational program, preserve property, and assure the health and safety of students and staff. The following items would be eliminated in a contingency budget: equipment purchases, free public use of buildings, and certain teaching and non-teaching positions. If the District decides to hold a budget re-vote, there are two choices. The same budget or a revised budget can be presented to the community. If the budget is defeated a second time, the Board of Education must adopt a contingent budget.

What are the options for the STAR program?

Eligible new homeowners will receive their STAR savings in the form of a check directly from New York State. However, you must register with the

New York State Tax Department to receive a STAR credit check. You can register 24 hours a day, 7 days a week at www.tax.ny.gov/star. Property owners without access to a computer can register by calling 518-457-2036 weekdays from 8:30 a.m. to 4:30 p.m. If you are a homeowner who has been receiving the STAR exemption, you can continue to receive the reduction on your school tax bill.

Am I eligible for STAR?

If you own your home, it is your primary residence, and your income is \$500,000 or less, you are eligible for the Basic STAR credit. In addition, if you are 65 or older with an income of \$90,550 or less, you may be eligible for the Enhanced STAR credit. In the first year of your new home, you may receive the prior owner's STAR exemption. In future years, as long as you are eligible, you will receive a STAR check. You do not need to register again.

How has Hilton CSD's 2021-22 budget been impacted by the approved state budget?

The largest and most unrestricted aid category we receive from New York State is Foundation Aid. The adopted New York State budget has a plan to fully fund Foundation Aid over a three-year period beginning in the 2021-22 fiscal year. This was great news for our District. Since Foundation Aid was never fully funded, dating back to the 2007-08 fiscal year, the District lost out on over \$100 million dollars or, on average, over \$7 million dollars per year. For the 2021-22 fiscal year, we have received over \$2.4 million dollars in additional Foundation Aid, allowing us to maintain current staffing and programs.
