

Junction City School District
Dyslexia and Act 1039
June 2022

The **Sonday System** is the program used for dyslexia intervention in grades K-12. In addition, **Take Flight** is the alternative program used for dyslexia intervention for some students in grades 7-12.

49 students received dyslexia interventions during the previous school year (2021-22).

None of the fifty-four students served moved to another district during the year.

26 students were identified as exhibiting characteristics of dyslexia.
