

Junction City School District
Dyslexia and Act 1039
June 2023

The **Sonday System** is the primary program used for dyslexia intervention in grades K-12. In addition, **Take Flight** is the alternative program used for dyslexia intervention for some students in grades K-12.

36 students received dyslexia interventions during the previous school year (2022-23).

None of the thirty-six students served moved to another district during the year.

32 students were identified as exhibiting characteristics of dyslexia.
