

## **Title I Parent – School Compact**

Under the Parent Involvement section of the reauthorization bill for Title I, Mattamuskeet Elementary School, which is to receive Title I funds, has jointly developed with and is agreed to by parents, school staff and students will share responsibility for ensuring improved student achievement. This compact outlines how the school and parents will work together to help our students achieve the high contents and performance standards set for all students. In the Improving America's School Act of 1994 (P.L. 103-382), this compact is a program feature of Hyde County Schools which receive Title I funds.

### **Administrative Pledge**
