

## June 3, 2022 End of Year Letter to Families

Dear MBES Families,

As you can imagine, this is a very busy time at school! I don't think we will get a full newsletter out before the end of the year; there are so many celebrations and outdoor learning events going on! Please see below the dates for June. Parents and family members are invited to the Pre-K celebration (happening today) and to the 5th Grade Celebration on June 16th.

***For the safety and sense of security of our students, staff, and families we are restricting all other school-based events to school students and staff only, including Field Day on June 10.*** If you have a real need to be on campus during a school-only event, please check in at the main office and get a visitor's badge. ***On any day that you plan to take your child home rather than having them ride the bus, please let Kerry or Deb in the office know.*** We thank you for your understanding.

Although the student year is ending soon, I will be working on many things this summer. Please feel free to reach out by phone or email if you would like to chat. You don't even need to have a reason! I didn't get a chance to meet all of you and look forward to more introductions.

I have thoroughly enjoyed being with your children and working with the amazing Marica Buker team this year. A sincere thanks to the many families among you who have offered words of encouragement, worked through solutions with me, and taught me about your children this year. Last September, I began signing my letters to you in hopes that we would be partners in educating your children and helping them thrive at school. I sign my last letter of the year with that hope realized.

In Partnership with You,

Mary
