

Bobcat Beat: June 2023

Principal's Message

Dear Families and Friends,

We have made it to the end of another school year! I have just a few words in closing, information about the summer meal program, and the May and June photo slideshow.

Report Cards: Your child's trimester 3 report card will be coming home this week by Friday. It will include the teacher we anticipate your child will have next year. You will receive a welcome letter from your child's teacher just before school starts in the fall.

Summer Lunch Program: Please see the informational flyer on the next page.

Summer hours: After June 30, if you need assistance, call ahead to make sure someone is in the office. **If you have any unanswered questions or need assistance before we resume in the fall, feel free to give me a call at (207) 557-0062.**

In late summer, I'll be sharing the updated Student and Family Handbook and other information we may have for you. For planning purposes, know that **we will keep drop-off and walker time at 7:30 and pick up time on regular days at 2:30.**

I am grateful to our Richmond families and friends for the tremendous amount of support and interest you have shown in our school. Your commitment to our children's education, your partnership when reaching out with concerns, and your active involvement in our school all help keep our spirits and energy high as we work every day to create a nurturing and inclusive environment where every child feels valued, empowered, and excited to learn.

That's a high ideal for us to live up to for 10 months out of the year! Summer in Maine is a perfect opportunity for all of us to relax, restore, and refresh.

May *your* summer be all that and more.

Mary

Summer Meal Program Info Next Page!
