PURPOSE

Your Employer has adopted this Flexible Compensation Plan to allow you to select from among benefit options made available under the Flexible Compensation Plan and pay for the selected benefits for yourself, your spouse, and your dependents via pre-taxed salary reduction contributions. You may choose from these "tax free" benefits in lieu of receiving taxable compensation. The Plan is intended to qualify as a "Cafeteria Plan" within the meaning of Section 125(d) of the Internal Revenue Code, and the benefits you elect will be excluded from your income under Section 125(a).

Dependent Care Expenses	\$ 5000.00	11/14/2018

Non-Employer Sponsored Premiums	Offered	11/14/2018

This Flexible Compensation Plan allows you to reduce your taxable income in direct proportion to (a) your contribution to the cost of your elected benefits and (b) your contribution to any account based tax advantaged plan or fringe benefit plan offered by your Employer that is governed by the Internal Revenue Service (IRS) Code.

ELIGIBILITY REQUIREMENTS: The benefits offered above are available to the following employees as stipulated below:

Participant Entry Period	Monthly
Seasonal Employees	Not Applicable
Probationary Employees	1 of the Month following 30 days employment
Part-time Employees	Not applicable

This Plan defines a Plan-eligible employee to be an individual classified by the Employer as a common-law employee who is on the Employer's W-2 payroll. Employees do not include self-employed individuals, partners in a partnership, or more-than-2% shareholders in a Subchapter S corporation.

Existing Employees. If you are employed by the Employer on the Plan's effective date, you shall be eligible to participate on the later of the Plan's Effective Date or on the date you satisfy the Eligibility Requirements stated above.

New Employees. If your employment begins after the Plan's Effective Date, you will be eligible to participate on the entry date noted above for Probationary Employees, following the date you satisfy the Eligibility Requirement stated above.

Re-employment of Former Employees.

A re-employed former employee may become a participant immediately upon re-hire.

Age Requirement. No maximum age requirement may be imposed for participation in the Plan.

GENERAL INFORMATION

This Flexible Compensation Plan allows you to pay your cost for the benefit plans you elected that are sponsored by your Employer through a Salary Reduction Agreement. This lowers your federal and state taxes. Under this Flexible Compensation Plan two types of benefit plans offered by your Employer may be funded by your salary reduction: premium benefits and reimbursement benefits. Premium benefits are the actual payments made to secure your participation in insurance plans. These are payments made from your Employer's general assets to an insurance company or a third-party administrator. Reimbursement benefits are benefits paid under an agreement to reduce your salary by the amount you elected to defer and pay you tax free benefits for certain qualified medical and dependent care expenses, as authorized under the Internal Revenue Code.

Administration. Your Employer or appointed Plan Administrator is responsible for the administration of your Employer Sponsored General Welfare Plans. Should you need to see any records or have any questions regarding these Plans, contact the Plan Administrator. The Plan Administrator has sole discretionary authority (a) to interpret the Plan in order to make eligibility and benefit determinations, and (b) to make factual determinations as to whether any individual is eligible and entitled to receive any benefits under the Plan. A health insurance issuer is not responsible for the Plan's administration (including payment of claims).

The Plan Administrator appoints TASC as a Service Provider to maintain certain Plan records and to be responsible for the Plan's day-to-day administration. TASC is not a Plan Administrator and has no discretionary authority regarding the Plan.

Plan Termination or Amendment. The Employer, or appointed Plan Administrator, has the right, in its sole discretion, to terminate the Plan or to modify or amend any provision of the Plan at any time. Upon the termination or partial termination of the Plan, Participants have no Plan benefits except with respect to covered events giving rise to benefits occurring prior to the date of Plan termination or partial termination, except as otherwise expressly provided in writing by the Employer.

Excess Payments. Upon any benefit payment made to a Participant in error under the Plan, said Participant will be informed and required to repay the errant amount. This includes and is not limited to amounts over the Participant's annual election, amounts for services that are determined to be ineligible, or when adequate documentation to substantiate a paid claim upon request is not provided. The Employer may take reasonable steps to recoup such an amount including withholding the amount from future salary or wages, and subtracting from future benefit reimbursement(s) the amount paid in error.

TASC · 2302 International Lane · Madison, WI 53704-3140 · 800-422-4661 · Fax 608-245-3623 · www.tasconline.com

No Continued Employment. No provisions either of the Plan or of this Summary shall grant any employee any rights of continued employment with the Employer or shall in any way prohibit changes in the terms of employment of any employee covered by the Plan.

Non-Assignment Of Benefits. No Participant or beneficiary may transfer, assign or pledge any Plan benefits except as may be required pursuant to (a) a “Qualified Medical Child Support Order” (which provides for Plan coverage for an alternate recipient), (b) other applicable law, or (c) electronic payment made directly to a healthcare provider.

CONTRIBUTIONS AND ENROLLMENT

Participant Contributions. By participating in the Plan, you agree to have your annual compensation reduced by the total cost of the Plan benefits you elected.

Employer Contributions and Enrollment Elections. At its election, your Employer may pay part of the insurance premiums or other qualified benefits made available through this Plan. The annual enrollment materials will include: (1) the amount of any Employer contributions for the various Plans offered by the Employer that allow you to make pre-tax contributions, (2) the rules defining how the Employer contributions may be used, and (3) the enrollment procedures to make annual elections for your pretax contributions. These enrollment materials are incorporated in this Summary Plan Description by reference.

The various benefit plans offered by your Employer may operate under different plan years. For instance, an Employer may enter into an annual contract with an insurance company (to provide benefits to employees) under a contract year that differs from the Plan Year established for this Flexible Compensation Plan. If this is the case, different Plan benefit entry dates will apply.

If you are not eligible to participate in this Plan but are allowed to participate in another benefit plan offered by your Employer, under the eligibility terms of that Plan, your costs will be paid with taxable income, and your compensation will not be reduced by the Employer.

BENEFITS AND QUALIFYING CHANGE IN STATUS EVENTS

The laws governing Flexible Compensation Plans generally do not allow you to change your benefit and contribution elections during a Plan Year (except for Health Savings Account plans; see below). Your elections are irrevocable and any balance in your account at the close of the Plan Year is forfeited and becomes the property of your Employer (refer to your open enrollment materials if your Plan has a Grace Period or a Carryover); this irrevocable election rule does not apply if you experience a qualifying change in status event, in which case the election change requested must be on account of and consistent with the qualifying event.

Any request to change your election must be submitted in writing within 30 days of any applicable qualifying event. The new benefit elections may start only after your change in status has taken place and the new paperwork has been filed.

A qualifying change in status event may be one of the following:

- A change in legal marital status (marriage, death of spouse, divorce, legal separation and annulment).

- The adoption, birth, or death of a child or dependent.

- Dependent satisfies or ceases to satisfy dependent eligibility requirements.

- The change in employment status of you, your spouse or dependent.

- Change in your residence.*

- Beginning or ending adoption proceedings.

- Automatic changes upon cost increases or decreases.*

- Significant cost increases.*

- Significant curtailment of coverage.*

- Addition or elimination of similar benefits package option.*

- Change in coverage of a spouse or dependent under an employer plan.*

- FMLA.

- HIPAA special enrollment rights.*

- COBRA qualifying event.

- Loss of group health coverage sponsored by governmental or education institution.*

- A judgment, decree or order requiring coverage for a spouse or child.

- Medicare or Medicaid entitlement.

- Termination of Medicaid or State Children’s Health Insurance Program (SCHIP) coverage.*

- Eligibility for Employment Assistance under Medicaid or SCHIP.*

- Exchange Event – a loss of eligibility under the terms of the plan due to a reduction in hours (less than 30) – even when the Employer allows the coverage to continue in effect during the ‘Stabilization Period’ to satisfy the Affordable Care Act coverage requirements.*

- Exchange Event – Exchange enrollment during an Exchange open enrollment period or special enrollment period.*

* These qualifying events do not apply to the Medical Expenses Reimbursement Plan.

If you are making tax free contributions to a Health Savings Account (HSA) under this Plan, you do not need a 'change in status' event to change your HSA election. You may prospectively change your HSA election at any time during the Plan Year.

Under the qualifying events of Termination of Medicaid or SCHIP coverage and eligibility for employment assistance under Medicaid or SCHIP, the employee must request the group health benefit change no later than 60 days after the date of termination or after the date eligibility is determined under Medicaid or SCHIP.

THE REIMBURSEMENT PLANS

If the BENEFITS OFFERED TO EMPLOYEES Section of this Summary Plan Description lists Medical (Out-of-Pocket) Expenses, Dependent Care Expenses and/or Non-Employer Sponsored Premiums, then your Plan includes that Reimbursement Plan.

The Participant Reference Guide, incorporated by express reference into this Summary Plan Description, includes all of the information you need to access your reimbursement accounts and submit claims for reimbursement. By visiting the Account Manager link addressed in this Guide you may access information about your reenrollment, your available funds, annual election, total contributions, and total reimbursements. These plans provide tax free benefits for medical, dependent daycare and/or non-employer sponsored health insurance premium claim reimbursements in accordance with IRS guidelines and protocols.

Medical (Out-of-Pocket) Expenses Reimbursement Plan. All medical claim expenses must be (a) for medical care as defined in Code Section 213(d) which is rendered or received during the Plan Year, with certain limitations described under Services Not Covered; (b) incurred by an employee who has made a valid pre-tax election to participate in the Plan, such employee's spouse, or tax dependent for healthcare purposes as defined in Section 105(b), (c) not otherwise taken as a medical deduction by a taxpayer and (d) not covered under any other benefit program.

A medicine or drug that is available for purchase without a prescription is considered an over-the-counter medicine. Under new federal law, an over-the-counter medicine obtained on or after January 1, 2011 may be reimbursed tax free only if a Participant obtains and submits a prescription with their claim for reimbursement. A Participant must submit a 'prescription' that meets all state law requirements of the state in which the prescription was written. The person who wrote the prescription must be allowed to prescribe drugs under applicable state law. A medicine is any over-the-counter item the IRS determines is purchased for the primary purpose of applying the drug or biological contained in the item. Insulin will continue to be reimbursed without a prescription.

The following examples—even those recommended by a doctor—do not qualify as expenses eligible for reimbursement under the Medical Expenses Reimbursement Plan: insurance premiums; expenses for cosmetic procedures or cosmetic items; items that are for a Participant's general wellbeing; items the Participant would have purchased even if the Participant had no medical condition (for example, a toothbrush); vacation and travel expenses even if for rehabilitation or prescribed by a doctor; long-term care expenses that are not for actual medical care; expenses incurred in stockpiling over-the-counter items in quantities that could not reasonably be used during the current Plan Year.

If you contribute to a Health Savings Account (HSA) then you may additionally enroll in a limited *Medical Expenses Reimbursement Plan* only. Qualified expenses under a limited Medical Expenses Reimbursement Plan are limited to dental and vision services or supplies excluded from coverage under your high deductible health plan. The limited Medical Expenses Reimbursement Plan will not provide reimbursement for any other service or supply regardless of whether that service or supply is allowed by the IRS as a medical expense, or allowed under a full Medical Expenses Reimbursement Plan.

Dependent Care Expenses Reimbursement Plan. This Plan provides employees with tax free dependent care assistance only when the assistance is necessary for the Participant to leave the home to engage in activity directly related to his/her employment. Qualified expenses under the Dependent Care Expenses Reimbursement Plan include any expenses that you could take as a credit against tax on your income tax form for the care of a Qualified Person. Benefits are provided only to the extent of your payroll deduction on the date the claim is processed. The tax laws further limit how much you may contribute to this Plan. Under the law and the terms of the Plan, you may defer no more than the lesser of your actual (or, if you are married and if less, your spouse's) income for the year or \$5000 per year to this Program. A married Participant who files separate tax returns is limited to \$2500 per year.

Non-Employer Sponsored Premiums Reimbursement Plan. This account provides reimbursement for premiums you paid for employee-owned health insurance policies. Employer provided insurance plans do not qualify. Premiums eligible for reimbursement are for a period in which you were a covered Participant under this Plan.

HEALTH SAVINGS ACCOUNT (HSA)

If you elect Medical Expenses Reimbursement benefits, you cannot also elect HSA benefits (or otherwise make contributions to an HSA) unless you elect the Limited (Vision/Dental) Medical Expenses Reimbursement Benefit. In addition, when the Medical Expenses Reimbursement Benefit includes a grace period and you have a Medical Expenses Reimbursement Benefit that is not a Limited Benefit, you cannot elect HSA benefits or make contributions to an HSA until the first day of the month following the last day of the grace period, unless the balance in your Medical Expenses Reimbursement Benefit is \$0 as of the last day of that Plan Year.

TASC · 2302 International Lane · Madison, WI 53704-3140 · 800-422-4661 · Fax 608-245-3623 · www.tasconline.com

If you have a Medical Expenses Reimbursement benefit with the Carryover feature that is not a Limited Benefit, you will need to elect the limited Medical Expenses Reimbursement Plan for the new Plan Year. Claims with service dates in the new Plan Year can only be reimbursed if they are covered under the Limited Benefit. In any event, you cannot contribute to an HSA in any month in which you are eligible for a Medical Expenses Reimbursement Benefit that is not a Limited Benefit.

QUALIFIED RESERVIST DISTRIBUTION

A Participant who is called to active duty in the US Armed Services and enrolled in the Medical Expenses Reimbursement Plan may elect to receive a Qualified Reservist Distribution of all or a portion of the unused balance in his/her individual Medical Expenses Reimbursement Plan subject to the requirements of Code Section 125(h) and the applicable regulations thereunder. The Employer may limit this distribution to the amount you have contributed to the Plan that has not been used to reimburse you for claims submitted.

QUALIFIED MEDICAL CHILD SUPPORT ORDER (QMCSO)

The Plan will provide benefits in accordance with a QMCSO and adhere to the terms of any judgment, decree, or court order which (1) relates to the provision of child support related to health benefits for a child of a Participant in a group health plan; (2) is made pursuant to a state domestic relations law; and (3) which creates or recognizes the right of an alternate recipient—or assigns to an alternate recipient the right—to receive benefits under the group health plan under which a Participant or other beneficiary is entitled to receive benefits. Participants may obtain, without charge, a copy of the Plan's procedures from the Plan Administrator.

LEAVE OF ABSENCE

Family and Medical Leave Act (FMLA). If you go on a qualifying leave under the federal Family and Medical Leave Act (FMLA), to the extent required by the FMLA, your Employer will continue to maintain your benefit package options providing health coverage (including the Medical Expenses Reimbursement Plan) on the same terms and conditions as if you were still active (that is, your Employer will continue to pay its share of the contribution to the extent you opt to continue coverage). Your Employer may require you to continue coverage while you are on paid leave (as long as Participants on non-FMLA paid leave are required to continue coverage). If so, you will pay your share of the contributions by the method normally used during any paid leave.

If your coverage ceases while on FMLA leave, you will be permitted to re-enter the Plan upon return from such leave, and to participate in the Plan on the same basis as you had been prior to the leave or as otherwise required by the FMLA. You may elect reinstatement in the Plan at the same coverage level in effect before the FMLA leave (with increased contributions for the remaining period of coverage) or at a reduced pro-rata coverage level for the period of FMLA leave during which you did not make contributions. Your coverage may be automatically reinstated as well, but only if coverage for employees on non-FMLA leave is automatically reinstated upon return from leave.

Unpaid FMLA Leave. If you are going on unpaid FMLA leave and you opt to continue your Medical and Dental Insurance Benefits and Health FSA Benefits, then you may pay your share of the contributions in one of three ways:

- (1) Prepay. Your share of contributions due during your leave may be paid either pre-tax or after-tax before your leave begins provided any pre-tax pre-payments do not fund coverage for the next Plan Year.
- (2) Pay-as-you-go. Your share of contributions will be paid on the same schedule as if you were not on leave or under another schedule. Per the Department of Labor regulations, if you fail to make payments under this option, your Employer is not required to continue coverage. If your Employer chooses to make payment and thereby continue coverage, your Employer is entitled to recoup these amounts from you after you return from leave.
- (3) Catch-up. Your Employer may advance your share of contributions while you are on leave. Upon your return from leave, your Employer may recover the advanced amounts on either a pre-tax or after-tax basis. Check with your Employer to determine if this option is available under your Plan.

Non-FMLA Leave. If you go on an unpaid leave of absence that does not affect eligibility, then you will continue to participate and the contribution due from you will be paid by pre-payment before going on leave, with after-tax contributions while on leave, or with catch-up contributions after the leave ends, as determined by the Plan Administrator. If you go on an unpaid leave that affects eligibility, then the Change in Status rules will apply.

Military Leave. If you take a leave of absence due to military service, you may continue coverage under this Plan as required by the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

TERMINATION OF PARTICIPATION

Participants are enrolled in the Plan for the entire Plan Year or the portion of the Plan Year remaining after enrollment. You will automatically cease to be a Participant on the earliest of the following dates:

- a. Your death, resignation or termination of employment with the Employer;
- b. The date the Plan terminates;
- c. The date on which you fail to pay any required premium (including payment by salary reduction) under the Plan;
- d. The date you no longer meet the requirements for eligibility in the Plan; or,
- e. The date you revoke your election under a qualifying change in status event.

TASC · 2302 International Lane · Madison, WI 53704-3140 · 800-422-4661 · Fax 608-245-3623 · www.tasconline.com

When participation has terminated, you are eligible to incur claims against any positive account balance through the eligibility end date.

Positive Balance: Upon termination your annual election amount will be limited to the greater of the amount paid for coverage (total contributions) less previously paid reimbursements or the total of paid reimbursements from the Plan.

As a terminated participant, you are not eligible for the Grace Period unless your eligibility end date is the same as the last day of the Plan Year.

When your participation has terminated, you may submit eligible claims for reimbursement through your run out end date as noted in the Claims Procedure section of this document.

CLAIMS PROCEDURE

Unless otherwise noted in this section, if you have elected reimbursement coverage, you may submit eligible claims for reimbursement through the Plan's runout period which ends on: 11/30/2018

All other claim procedures for the Plan are provided in a separate administrative document upon the original enrollment in the Plan. An additional copy may be provided without charge upon request.

CLAIM DENIALS

Medical and Dental Insurance Benefits. The applicable insurance company will determine your claim in accordance with its claims procedures.

Claims Under the Medical (Out-of-Pocket) Expenses, Dependent Care Expenses or Non-Employer Sponsored Premiums Reimbursement Benefits. The claims procedure described below will apply if (a) a claim for reimbursement under the Medical (Out-of-Pocket) Expenses, Dependent Care Expenses or Non-Employer Sponsored Premium components of the salary reduction plan is wholly or partially denied, or (b) you are denied a benefit under the salary reduction plan due to an issue germane to your coverage under the Plan.

If your claim is denied in whole or in part, you will be notified in writing by the Plan Administrator within 30 days after the date the Plan Administrator received your claim. (This time period may be extended for an additional 15 days for matters beyond the control of the Plan Administrator, including in cases where a claim is incomplete.) The Plan Administrator will provide written notice of any extension, including the reasons for the extension and the date by which a decision by the Plan Administrator is expected. When a claim is incomplete, the extension notice will also specifically describe the required information, will allow you 45 days from receipt of the notice in which to provide the specified information, and will effectively suspend the time for a decision on your claim until the specified information is provided.)

Notification of a denied claim will detail:

- specific reason(s) for the denial;
- specific Plan provision(s) on which the denial is based;
- a description of any additional material or information necessary for you to validate the claim and an explanation of why such material or information is necessary;
- appropriate information on the steps to be taken if you wish to appeal the Plan Administrator's decision, including your right to submit written comments and have them considered, your right to review (upon request and at no charge) relevant documents and other information, and your right to file suit under ERISA (where applicable) with respect to any adverse determination after appeal of your claim.

Appeals. If your claim is denied in whole or part, then you (or your authorized representative) may request review upon written application to the Plan Administrator. Your appeal must be made in writing within 180 days after your receipt of the notice that the claim was denied. If you do not appeal on time, you will lose both the right to appeal the denial and the right to file suit in court. Your written appeal should state the reasons that you feel your claim should not have been denied. It should include any additional facts and/or documents that you feel support your claim. You will have the opportunity to ask additional questions and make written comments, and you may review (upon request and at no charge) documents and other information relevant to your appeal. The address to use when filing an appeal will be included in the benefit or enrollment denial letter.

TASC · 2302 International Lane · Madison, WI 53704-3140 · 800-422-4661 · Fax 608-245-3623 · www.tasconline.com

Decision on Review. Your appeal will be reviewed and determination made within a reasonable time, defined as not later than 60 days after receipt of your appeal. If the decision on review affirms the initial denial of your claim, you will be furnished with a Notice of Adverse Benefits Determination on Review, which shall set forth the following:

- specific reason(s) for the decision on review;
- specific Plan provision(s) on which the decision is based;
- a statement of your right to review (upon request and at no charge) relevant documents and other information;
- if an “internal rule, guideline, protocol, or other similar criterion” is relied on in making the decision on review, then a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to you upon request; and
- a statement of your right to bring suit under ERISA §502(a) (where applicable).

NOTICES REQUIRED BY LAW

Special Rights on Childbirth. Under Federal law, group health plans may not restrict benefits for any hospital length of stay in connection with childbirth for (either mother or newborn child) to less than 48 hours following a vaginal delivery or less than 96 hours following a caesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than the above period. In any case, under Federal law a provider may not be required (by Plan or insurer) to obtain authorization from the plan for prescribing a length of stay up to 48 hours (or 96 hours).

ERISA RIGHTS

The Medical Expenses Reimbursement Plan or Medical Insurance Plan sponsored by your Employer are subject to the Employee Retirement Income Security Act of 1974 (ERISA). (The Medical Premium Plan is not subject to ERISA.) Some of your basic rights under ERISA are described in this Summary Plan Description. Your rights under ERISA and other federal and state law as related to the qualified benefit plans you elected are fully detailed in the Summary Plan Descriptions that are maintained by your Employer for those Plans.

As a participant in the Company's Medical and Dental Expense Reimbursement Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act (ERISA). ERISA provides that all Plan participants shall be entitled to the following:

To examine, without charge, at the Plan Administrator's office and at other specified locations such as work-sites and union halls, all plan documents including insurance contracts, collective bargaining agreements, and copies of all documents filed by the Plan with the U.S. Department of Labor, such as detailed annual reports and plan descriptions. Plan documents and other Plan information will be provided upon written request of the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies. A summary of the Plan's annual financial report will be automatically sent when such a report is required by law.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of the Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit from the Plan or from exercising your rights under ERISA.

If your claim for a benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan Administrator review and reconsider your claim. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a Claim for benefits which is denied or ignored in whole or in part, you may file suit in a state or federal court as above. If it should happen that Plan fiduciaries or if you are discriminated against for asserting your rights you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose or if your claim is found to be frivolous, the court may order you to pay these costs and fees. If you have any questions about the Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

Under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, ("COBRA") continuation shall not apply to any group health plan of the Employer for any calendar year if all employers maintaining such plan normally employed fewer than twenty (20) Employees on a typical business day during the preceding calendar year. Government entities are subject to the same continuation coverage under the Public Health Services Act. This Summary Plan Description describes your rights for the Medical Reimbursement Plan. Your rights under any of the other Qualified Benefits Plans offered by your Employer are described in the Summary Plan Description(s) for that Plan and may be obtained from your Plan Administrator.

If you elect to participate under the Medical Expenses Reimbursement Plan and are considered a Participant on the day before experiencing a qualifying event, COBRA continuation ends on the last day of the Plan Year in which the qualifying event occurred. Further, COBRA continuation coverage will not be offered if on the day of your qualifying event, the amount of your annual election less any reimbursed claims is less than the amount of premium required to continue the Medical Expenses Reimbursement Plan until the end of the Plan Year. COBRA continuation under an excepted Medical Expenses Reimbursement Plan is available until the end of the Plan Year in which the qualifying event occurs.

A Participant who experiences a qualifying event is considered a qualified beneficiary. When a qualified beneficiary experiences a qualifying event, they will be sent a notification explaining their rights to elect COBRA continuation coverage. Your Employer has 44 days from the date of the loss of coverage in which to send the COBRA Election Notice. A qualified beneficiary who wishes to continue coverage must notify the Plan Administrator of their desire to continue coverage within sixty days of either the date of notification or date of loss of coverage, whichever is later. If the Plan Administrator does not receive notification within this time period, you will lose your right to elect continuation coverage. Finally, qualified beneficiaries who elect continuation coverage are responsible for premiums back to the date that termination from the Plan would have occurred.

COBRA continuation is available until the end of the Plan Year in which the qualifying event occurs. The premium charged for the continuation coverage will be 102% of your monthly contribution. The Employer may require the COBRA payments be apportioned for the remainder of the Plan Year.

Listed below are qualifying events.

- (1) Termination of employment (for reason other than "gross misconduct"); and
- (2) Reduction of employee's work hours.

Questions

If you have questions about your COBRA continuation coverage, you should contact your Employer or you may contact the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA); addresses and phone number of Regional and District EBSA Offices are available through EBSA's website at www.dol.gov/ebsa.
