

Student Technology Insurance Program

2020-2021 Policy

The Student Technology Insurance Program gives parents peace of mind through the ability to purchase insurance. The insurance package covers the repair/replacement costs of the Chromebook & iPads. The cost is only \$25 for Chromebooks and \$15 for iPads. The policy will start the first day the device is checked out until the device is returned in May. The policy must be repurchased at the beginning of each school year.

The insurance program is voluntary, but families are **highly** encouraged to participate. If insurance is not purchased at the time of device acceptance, parents/guardians are responsible for the full cost of any repair/replacement of all damage to/loss of the Chromebook, case and charge cord. The following fee schedule will apply:

Typical NON-INSURED Repair/Replacement Costs:

Item	Cost
Chromebook (Complete)	\$350
iPad	\$300
Charge Cord	\$30
Screen	\$100
Wi-Fi Card	\$30
Keyboard (chromebook only)	\$60
Touchpad (chromebook only)	\$30

Hinges (chromebook only)	\$15
Top Cover (chromebook only)	\$20
Bottom Cover (chromebook only)	\$20

Acts of intentional damage will not be covered by insurance and the insurance policy is voided.

Insurance Coverage:

If purchased, the CPS Student Technology Insurance Program covers 100% of the **FIRST** incident of damage or loss (including theft**) of the Chromebook or iPad, 50% of the **SECOND** incident of damage or loss (including theft**) of the Chromebook or iPad from date of issue through start of following school year (e.g. Student is covered from start of 9th grade year issuance through start of 10th grade year when insurance is offered again beginning of 10th grade year). On the **THIRD** incident, the parent is responsible for all repairs/replacement costs. Exact repair/replacement costs will be determined at the time of the repair. Coverage resets each new school year, if insurance is purchased.

First Incident	100%
Second Incident	50%
Third Incident	0%

****Insurance Claims of Theft must include a completed Cherokee Police Report, signed by a parent. *No Refunds. No Prorating.***

Insurance must be purchased BEFORE student takes possession of the Technology Package. Once student has been issued their technology package, insurance will only be issued once the device is thoroughly checked out by the Technology Director and no damage/breakage has taken place at the time of insurance being purchased. Insurance cannot be purchased after damage to the device has already occurred. Students will retain the Chromebook model throughout their education at CPS. If the model needs to be replaced at any point, it will be the same model as originally issued.
