

A.R.T.S. Assemblies

A= Appreciative

R= Respectful

T= Team members

S= Striving for excellence

The acronym ARTS is a reminder for the students at our Renaissance Academy that we are appreciative, respectful, team members, striving for excellence. Each month, an ARTS assembly is held as part of the school-wide PBIS model. Recognizing our students for the character strengths they embody throughout the year is a priority of RA.

Each month students learn about several character strengths as part of P2: The Positivity Project. Students are nominated by their teachers and recognized at a school-wide assembly for a character strength they exemplify, in order to reinforce the positive behavior the students exhibit in the school. Parents and families are invited each month to attend. Students from the Arts Enrichment Program perform/present at each assembly.
