SCHOOL DISTRICT 12 JOHNSBURG
INSPIRING OUR STUDENTS

Student Health Information

Revised: October 2020

Johnsburg School District 12 is responsible for informing our parents regarding portions of the State of Illinois Administrative Code that address required medical examinations and immunizations. The District is also responsible for enforcing all requirements of Administrative Code in accordance with state and local policies and procedures. This document has been developed to assist parents in understanding the different medical and immunization requirements that must be documented by parents / guardians within the established deadlines.

Required Vaccinations

Complete and updated immunization documentation is due by the **first day of school** for each student.Parents should utilize the Illinois State Board Education form provided by the District to document immunizations. The immunization requirements are as follows:

1. Hepatitis B (a series of 3 immunizations prior to PreK);
2. Measles, Mumps and Rubella (2 immunizations, the second dose prior to entering Kindergarten);
3. Polio (4 immunizations, with the 4th dose on or after 4th birthday);
4. Diphtheria, Tetanus, and Pertussis-TDaP (4 or more immunizations with the last dose on or after 4th birthday)
5. Tetanus, Diptheria, Pertussis- TDaP (one immunization prior to entering 6th grade)
6. Varicella (Chicken Pox) (2 immunizations, the second dose prior to entering kindergarten)
7. Meningococcal Conjugate (2 immunizations, 1st dose prior to entering 6th grade and 2nd dose prior to entering 12th grade)
8. Haemophilus influenza type B (HIB) proof of immunization required for PreK. No proof of immunization required after the age of 5.
9. Invasive Pneumococcal disease (PCV) proof of immunization required for PreK. No proof of immunization required after the age of 5.

Important Notes

- New students in all grades (if this is the first time enrollment in an Illinois school) are required to complete the above-mentioned physical examination,dental and the vision examination.
- An out-of-state physical examination may be submitted to the school nurse for verification and determination of whether or not another physical will be required.
- Students new to Johnsburg School District 12 have **21 days** to provide their health records from their previous school to either their school office or the District Administration Center.
- All of these health documents will be retained in the student's health record in digital form.
