## **CLARKE COMMUNITY SCHOOLS** FOOD SERVICE OPTION FORM - Your family meal choices

It is the goal of the Clarke Community School Food Service to provide every child in our school system with nutritious, delicious meals which enhance their ability to concentrate on the important jobs of growing up and learning.

It is always a choice for any family to send their child to school with lunch from home. Our service is intended to provide you and your child with choices about what to eat at school, and to help busy families meet their child's needs. Please complete this form to let us know how your family would like to handle your child's meals.

Food	Selection	<b>Options</b>

"Tray Only" = Student CAN purchase a "tray" meal only and NO additional items are allowed to be purchased on their meal ID number.

"A-La-Carte" = Student CAN purchase a "tray" meal and/or "A-La-Carte" items with the meal card. Marking "a-la-carte" means your MS/HS student(s) may choose whatever food they want on their meal ID number. Qualifying for free or reduced meals does not eliminate your payment responsibilities for a-la-carte purchases.
