

The Community Education Office offers a variety of after school and evening classes for children and adults of all ages. These classes were created to provide students with a positive outlet to explore their creativity, expand their knowledge, and find new interests and hobbies.

Community Education classes are taught by a staff of qualified instructors. Schedules for students' classes may vary from a one-day class to monthly or several week sessions. Classes such as art, dance, gymnastics, karate, piano, soccer, Snapology, Taekwondo and tennis are held throughout the year. Early registration is encouraged since all classes have a maximum enrollment.

Class fees: A non-refundable registration fee is included in the class enrollment fee and varies by class.

Register is online at <https://bryan.ce.elevo.com>, a convenient, mobile-friendly online tool that allows you to manage your Community Education account from any device, including your smart phone or tablet. Parents/guardians will be required to enter a payment processing method in order to register. Auto-pay option is available for regular tuition payments.

1. To start, you will need to first **set up an account** at <https://bryan.ce.elevo.com>.
2. Once that is done, you can continue, or log back in later, to set up your family profile. [View Elevo instructions](#) to assist with this set up if needed.
