## **CONDUCT TO AND FROM SCHOOL AND TRANSPORTATION ELIGIBILITY**

Effective: 6/18/2019

The District's Student Code of conduct applies to students while traveling to and from school or to and from a school activity to the same extent as if the student were on school grounds. Appropriate disciplinary actions may be taken against commuting students who violate the District's Student Code of Conduct.

The preceding paragraph also applies to student conduct on school buses. Students shall be instructed in safe riding practices. The driver of a school bus shall not operate the school bus until every passenger is seated. In addition to other disciplinary measures provided for violation of the District's Student Code of Conduct, the student's bus transportation privileges may be suspended or terminated for violations of the Student Code of Conduct related to bus behavior.

Students are eligible to receive district bus transportation if they meet the District's requirements for riding a bus. The transportation to and from school of students who have lost their bus transportation privileges is the responsibility of the student's parent or guardian.
