Principal Newsletter

Dear Parents and Guardians,

Another school year is upon us! The excitement of new classes, meeting new teachers and staff, fall sporting events and numerous other school-related activities provide opportunities for students to grow as individuals and as members of a school community. As previously mentioned in the back-to-school mailer and in the latest copy of the *LCC Today*, we are underway in two very important initiatives: our five-year accreditation and strategic plans. Both of these outline goals for our staff and students and were created by the staff, members of the school governing board, and other stakeholders.

Later this fall, LCC will host a State of the School. You will be given an opportunity to learn more about some of these initiatives and receive updates regarding S.O.A.R and other changes. We are committed to periodically reviewing and/or amending these plans, especially as we analyze data or if the need arises due to the ever-changing nature of the world we live in.

As we embark on another school year, guided by these two initiatives, I'd ask for your prayers as we carry out our newly-crafted vision: "At Lima Central Catholic High School we will serve Christ and heed his call to resilience as we work to positively impact our community in a changing world." Please know of our commitment to adopt and work diligently to "Stick to the Plan," not only those in writing, but also HIS plans for our students and for this school year, whatever it may bring.

Blessings,

Mrs. Williams
