Principal Newsletter

Dear Parents and Guardians,

By now, I am sure many of you have met or seen one of the new faces at LCC this year! From the moment you call the high school, your call will be entrusted to either Victoria Lauck or Deb Heitmeyer (Victoria is here M, Th & F/Deb T & W). In addition to the ladies at reception, we have a few new teachers, administrators and support staff. And while some of them were hired last spring, a few have joined our team as late as this week. As in any new role, there is a period of transition that has taken place and will continue to do so. Your patience as we navigate new faces and procedures alongside the normal hustle of the start of the school year is appreciated.

Something we at LCC do anytime we hire someone new is make a sign for them to hang outside their classroom or office. The sign has their name and education level. We also denote if he/she is an alumnus. As I was combing through the new signs as well as making sure the current staff's signs were still in good shape, I made two observations:

1. The wealth of education, backgrounds and experience within the staff is such a blessing. I love the fact that we have someone as young as two years removed from LCC to someone who has been here over 40 years. The younger faces, eager and full of new ideas to the individual who has years of experience to draw from when making decisions are both essential for the health of an organization.

2. We have several alumni in the building! That says something about their positive high school experience, or their willingness to continue the ministry of working with young adults. They want to give back and keep the mission of the school alive. (Oh, and in case you are wondering who "the greatest class" really is, please take note that three individuals from the class of 1998 are now working at their alma mater).

If you are able to join us for our annual Open House on Monday evening, this would be a great time to meet many of our new staff/faculty members. We will gather in the Great Hall at 6:30 p.m. and, from there, parents are invited to follow their student(s) schedule and meet their teachers. Afterward, there is an important meeting for senior parents. If you attend the Open House, your student will receive an out of uniform pass.

Continued blessings to your family!

Ms. Williams

SAVE THE DATE:

August 26

Freshman Retreat

August 26

5:30-7:00 - Taste of LCC, Lima Stadium Park

International Exchange Students

We are fast approaching the deadline for international student placements.

We still have wonderful kids waiting and hoping to join our school community this year. However, these students will not have the opportunity to live their dream of a year in the US, unless families like you offer to host them. Are you willing to open your home and family to a student like Elisa from Italy, Jannick from Germany, Rose from France, or Maya from Spain?

If so, please let us know ASAP and we will be happy to share more information with you.

Thank you for helping to bring this great opportunity to our school community and to these eager students!
