Kairos Retreat

Dear Parents and Guardians,

Every month, our Thunderbird Parent Club (TPC) sponsors a meeting or event to help support our students, teachers and of course you all as the primary teacher in your student's life. This Monday evening, the TPC is hosting the State of the School. Members of the administration will provide quick updates concerning the first quarter of the school year and speak about the progress of the strategic plan, first mentioned in a previous newsletter. There has been and will continue to be some exciting updates as we forecast plans for the next few years. There will also be an opportunity to ask questions.

If you are able to join us Monday evening at 7:00 P.M. in the Great Hall, we would love to have you.

Blessings,

Ms. Williams '98

Art Field Trip

Some Thunderbird students went on an art field trip to the University of St. Francis in Ft. Wayne, Indiana. The university hosted a high school workshop event in which the students were able to choose what workshop they wanted to participate in. They were able to choose between drawing, animation, illustration, ceramics, printmaking, and music technology. They had a great time and learned a lot from the professors!

T-Birds Participate in College Band Day

Five of our Marching Thunderbirds participated in a College Band Day hosted by Heidelberg University. Congrats to them on a great performance and wonderful learning opportunity!
